

## Tuesday Tip

### External Resources

Need help finding resources which can be used to help generate new ideas about teaching online? Here are a few that list professional development opportunities, and best practice publications and guidance to educators.

#### **EDUCAUSE**

EDUCAUSE helps those who lead, manage, and use information technology to shape strategic IT decisions at every level within higher education. It is more than technology to EDUCAUSE members. It is a system of people, processes, organizations, and challenges that are constantly evolving.

[Visit the EDUCAUSE website.](#)

#### **Online Learning Consortium**

The Online Learning Consortium (OLC) is the leading professional organization devoted to advancing quality online learning by providing professional development, instruction, best practice publications and guidance to educators, online learning professionals and organizations around the world.

[Visit the Online Learning Consortium website.](#)

#### **International Journal of Web-Based Learning and Teaching Technologies**

The mission of the International Journal of Web-Based Learning and Teaching Technologies (IJWLTT) is to contribute to the broadening of the overall body of knowledge regarding the multi-dimensional aspects of Web-based technologies in contemporaneous educational contexts, assisting researchers, practitioners, and decision makers to design more effective learning systems and scenarios.
