Tuesday Tip

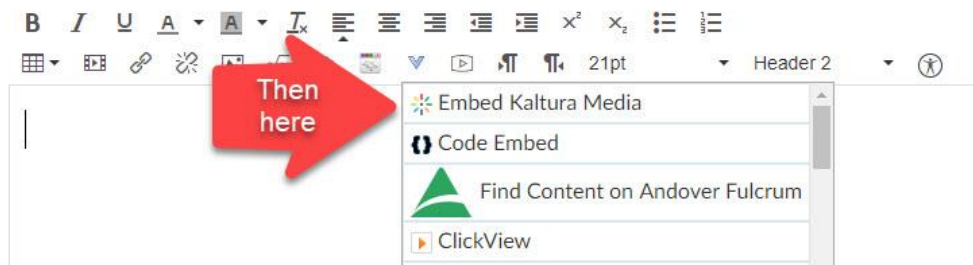

Where, Oh Where Can Kaltura Be?

If you are having trouble finding the Kaltura icon within the Canvas rich content editor, have no fear. It has not gone far.

To locate the icon so you can embed your videos onto a page, simply click on the blue arrow:

This will expand a list of apps to choose from. Select Embed Kaltura Media:

Your My Media will open. You can upload a new video or select an existing video. Once a video is selected, it will be embedded on the page wherever the cursor is located.

Still need some tips on getting started with Kaltura? Check out this [guide](#). For additional help, contact Rebecca Harrison at millerr@uab.edu or Courtney Garza at cbgarza@uab.edu.
