

SimEducator I

Topics for this half day course include:

- Effective prebriefing
- Simulation modalities
- Debriefing models
- Scenario design and development

Details

Class sessions will be offered
Dec 19, March 6, April 27
8:00 am to 1:00 pm
UAB Quarterback Tower
Simulation Center - Rm 320
Snacks & light lunch provided

The SimEducator I course is designed for all faculty and staff who are interested in using simulation as a teaching tool for improving clinical practice. This course will focus on the theoretical foundation of immersive simulation, as well as research-based strategies for designing scenarios and conducting effective debriefings. Short didactic sessions and a variety of simulations will be incorporated throughout this half day course, where faculty and staff will have the opportunity to participate.

UAB INTERPROFESSIONAL SIMULATION
FOR INNOVATIVE CLINICAL PRACTICE

These courses are limited to 20 participants. Please register through our website at www.uab.edu/simulation/simeducator-courses
