Major Brainstorming Activity

Identify **two** classes that you have most enjoyed during your academic journey.

1. ________________________________________________________

2. ________________________________________________________

Identify **two** academic subjects in which you have excelled.

1. ________________________________________________________

2. ________________________________________________________

**Points to Consider**

1. Do any of your answers overlap?

2. How do your answers translate into a major? (see handout of list of undergraduate majors)

**My two potential majors are:**

1. ________________________________________________________

2. ________________________________________________________
