REAVER COLLINS

COOK AT EINSTEIN BROS. BAGELS

This week on our Feature Friday segment, we sat down with Reaver Collins at Einstein Bros. Bagels, to ask her a few questions about her life, hobbies & more. Here's what she had to say:

Where are you from?

REAVER: I'm originally from Birmingham, Alabama.

How long have you worked for Campus Dining?

REAVER: I've been with Sodexo for over 5 years.

What do you enjoy most about your job that's kept you here so long?

REAVER: I have really enjoyed working under my manager, Jeff, and also my co-workers. They are so much fun to be around and we have a good time!

What do you enjoy doing in your free time?

REAVER: In my free time I watch and hang out with my grandchildren! I also love traveling to the beach!

What are three adjectives to describe yourself?

REAVER: Patient, Caring, and Friendly

If you could travel anywhere, where would go?

REAVER: I would want to travel to Europe. Paris and London have always been specific places I have wanted to visit.

Is there anything about you that people would be surprised to know? Any hidden talents?

REAVER: I love to dance. I have danced my entire life and majored in dance in college. I still take classes and love it just as much as when I was a kid.
