MADDIE WALKER

MARKETING STUDENT INTERN

This week on our Feature Friday segment, we sat down with Maddie Walker, our newest marketing intern, to ask her a few questions about her life at UAB, hobbies and more. Here's what she had to say:

Where are you from?

MADDIE: I'm originally from Marietta, Georgia, but I have lived in the Birmingham area for nine years.

How long have you worked for Campus Dining?

MADDIE: I'm still new, I've worked here for just three months, but I am excited to continue the journey of this internship with Campus Dining.

What year are you and what is your major?

MADDIE: I am a junior majoring in marketing.

What made you choose UAB for your undergraduate studies?

MADDIE: I chose UAB because coming in as a freshmen I wanted to experience something new and different than a typical college campus. With UAB's campus being in the heart of the city it was an easy choice. I also liked the overall vibe of the student body and immediately felt that I could call this place home.

What do you like to do in your free time?

MADDIE: I try to stay outdoors as much as I can, while being active. I like intramurals, hiking, canoeing and adventuring different places. I also enjoy reading and painting.

If you could travel anywhere, where would you go?

MADDIE: Australia and the islands surrounding it.

What is your favorite food?

MADDIE: Anything Italian, especially pizza.
