KEVIN POE

SUPERVISOR AT EINSTEIN BROS. BAGELS

This week on our Feature Friday segment, we sat down with Kevin Poe, a supervisor at Einstein Bros. Bagels, to ask him a few questions about his life, hobbies and more. Here's what he had to say:

Where are you from?

KEVIN: I have lived here in Birmingham my whole life.

How long have you worked for Campus Dining?

KEVIN: I've been with Campus Dining around 10 years.

What has kept you here so long?

KEVIN: I really enjoy working in the food industry. I also like the atmosphere here at Einstein and having the opportunity to serve the students at UAB.

What do you enjoy doing in your free time?

KEVIN: I love to cook and travel. I like to consider myself a grill master. I love to grill steak and hamburgers, but barbecuing ribs is my specialty.

If you could travel anywhere, where would you go?

KEVIN: I would probably go to a tropical location, maybe somewhere like Jamaica. But Europe is also a good choice.

Is there anything people would be surprised to know about you?

KEVIN: I'm pretty good at sketching and drawing.

Do you have a favorite celebrity?

KEVIN: Michael Jordan.

What is your favorite food?

KEVIN: French fries--especially homemade ones--but I'll eat fries from anywhere.
