Returning Students
Signing In for the First Time

1. Select the ‘DSS Student Portal Login’ button on the DSS webpage. This will bring you to our new system where you will use your UAB username and password to sign in.

2. Any time you login to the system, the top of the page will notify if there are any tasks you need to complete. The FIRST time you login, you will see REQUIRED FORMS. These are forms you completed when you first signed up with DSS. However, the new system requires you to review and sign them again before you can do anything else.
Select one of the agreement forms (they will all appear and you will only have to sign once). Read the agreements and sign below.

You will only need to do this the first time you use the system. You will be able to view any forms you have signed by selecting ‘My E-Form Agreements’ in the left side tool bar.
