DEADLINES from the Grants Resource Center of the American Association of State Colleges and Universities April 10, 2003

This publication includes deadline dates for the month of July 2003 and late announcements for the months of June 2003 and May 2003. Proposals submitted by a referenced target date will be included in a particular review cycle, while those received after the target date will be held for the next review cycle. It is advisable to contact the program staff cited in each listing to obtain all available information. Those deadlines marked by an asterisk (**) are tentative. In some cases, these are specific dates that may change depending on the timing of the deadline notices and in others, we have listed just the month during which a deadline is expected.
