INDIVIDUALIZED INSTRUCTION EVALUATION

Course/Section ________________________________

INSTRUCTIONS

FACULTY: During a regularly scheduled class session, select a student volunteer who is willing to distribute, collect, and deliver the evaluation forms. Inform the students that their individual responses, whether completed in class or online, will be anonymous. Ask the students to be sure to write in the name of the instructor they are evaluating. The student volunteer should then follow the instructions below and notify you when the evaluations have been completed and delivered to the Program Office. Someone from the Program Office should deliver the sealed envelope directly to the Office of the Associate Dean in Webb 624. Leave the room while the students are completing the evaluation forms.

STUDENT: Please distribute one form to each student who is present. Leave any unused forms in the envelope. When everyone has completed the evaluation, collect the evaluation forms and deliver them only to the clerical assistant in the Program Office. If the clerical assistant is not available, slide the envelope containing the evaluation forms under the Program Office door.
