### ISHARES GLOBAL TELECOM ETF

**Input Ticker:** ISHARES GLOBAL TELECOM ETF

**Company Description**

iShares Global Telecom ETF is an exchange-traded fund incorporated in the USA. The Fund seeks investment results that correspond to the performance of the S&P Global Telecoms UCITS ETF Index, which is designed to track the STOXX Global Telecoms index. The STOXX Global Telecoms Index is a comprehensive and market-capitalization-weighted index of global telecommunications stocks. The Fund is actively managed and seeks to provide investment results, whether positive or negative, that correspond to the performance of the Benchmark, before fees and expenses. The Benchmark is intended to reflect the performance of a specific market or market segment. The Fund invests at least 80% of its net assets in securities of companies included in the Benchmark, provided that investments in non-U.S. equities (other than U.S. Treasury securities) do not exceed 25% of the Fund's net assets. The remainder of the Fund’s net assets may be invested in securities of U.S. issuers, including U.S. Treasury securities.
