It is with great pride and pleasure that the Society for Pediatric Urology (SPU) announces the resumption of publication of Dialogues in Pediatric Urology. For twenty-five years Dialogues served the pediatric urology field as a valuable resource.

The SPU debuted the Spring Edition of Dialogues in Pediatric Urology at its Annual Meeting in San Francisco in May. Members of the SPU will receive a complimentary subscription to Dialogues. The SPU is also pleased to be able to make annual subscriptions to Dialogues available to the entire pediatric urology community. Domestic subscriptions (within the United States) are available for $75.00 per year. International subscriptions (including Canada and Mexico) are available for $100.00 per year.

Dialogues will be published on a quarterly basis and mailed directly to all subscribers. If you would like to see the inaugural issue, please visit our website www.spuonline.org.
