HOW DO I REGISTER?

A student must be admitted to UAB before registering. Once you have been admitted, this handy checklist can make the registration process quick and easy. Check off each item as you complete it, and before you know it, you will be ready for your next semester at UAB. You will find more details about each step in this schedule as you go through. Keep reading!

☐ Touch base with your advisor.
☐ Take placement tests if necessary.
☐ Choose your courses.
☐ Check for any prerequisites required for your courses.
☐ Have your student I.D. card made or validated.
☐ Clear any holds on your account.
☐ If necessary, get appropriate signatures and course approvals.
☐ Register by Web, phone, or in person at the appropriate time.
☐ Drop/add courses if necessary.
☐ Get your parking permit if necessary.
☐ Pay your tuition and fees.
ARE YOU A CURRENTLY ENROLLED STUDENT?
Currently enrolled students register by assignment. If you attended UAB during the last year, you will receive a postcard with your assigned time to register.

If you are not currently enrolled, you register during the open registration period. Check the following lists of registration dates and times. When you register depends on your class level and the first letter of your last name (remember, your class level is determined by the cumulative number of semester hours of credit you have earned according to your UAB transcript).

These dates and times are the earliest you can register. You can also register any time after your scheduled time until classes begin. However, the registration after classes begin period starts the day classes begin for the term. If you register during that period, you must register in person, and a late registration fee of $25 will be charged.

Monday, November 10
Regular degree-seeking graduate students

Tuesday, November 11
Non-degree graduate students

Seniors (90 or more semester hours of credit earned)

Wednesday, November 12
Juniors (60-89 semester hours of credit earned)

Thursday, November 13
Sophomores (30-59 semester hours of credit earned)

Friday, November 14
Freshmen (29 or fewer semester hours of credit earned)

Once you know on which day you should register, check the list below to determine what time you should register based on the first letter of your last name.

CD 9:00 a.m. - 6:00 p.m.
EFG 10:00 a.m. - 6:00 p.m.
HI 11:00 a.m. - 6:00 p.m.
JKL Noon - 6:00 p.m.
MNO 1:00 p.m. - 6:00 p.m.
PQR 2:00 p.m. - 6:00 p.m.
STU 3:00 p.m. - 6:00 p.m.
WXYZ 4:00 p.m. - 6:00 p.m.
AB 5:00 p.m. - 6:00 p.m.

Example: Jane Doe is a senior, so she should register at 9:00 a.m. on Tuesday, November 11.

ARE YOU A PREVIOUSLY ENROLLED STUDENT?
If you have attended any other college or university since you last enrolled at UAB, or if you have not attended UAB in the past two years, you must apply for readmission. Reestablishment of records takes three to five working days, so you will not be able to register on the day you apply for readmission. Undergraduates should apply at the Undergraduate Admissions office at 260 Hill University Center (934-8221). Graduate students should apply at the Graduate School, 511 Hill University Center (934-8227).

ARE YOU A NEW STUDENT?
All new degree-seeking freshmen and transfer students are required to attend new student orientation. Also, non-degree seeking special status students must attend orientation. The only new students exempt from attending are former UAB students, postbaccalaureate students (PB), and students admitted as temporary (TE) or transient (TR).

New student orientation is designed to assist you in making a smooth transition to a new learning environment. If you are required to attend, you will register for classes as a part of that program. You may not register prior to orientation. In addition to registering, you will meet with your academic advisor and be introduced to the many resources available at UAB. For more information, contact the new student orientation office at 975-7999 or orient@uab.edu.

ARE YOU A NON-DEGREE SEEKING STUDENT?
Undergraduate students classified as transient, temporary, or postbaccalaureate, or those registering only as auditor (no credit work taken) may register only during open registration. Consult the academic calendar on the inside front cover for open registration dates.

**ONE – PREPARE TO REGISTER**

Meeting with your academic advisor is an important step in preparing for registration. Your academic advisor will help you select the right courses to fit into your schedule and satisfy your degree requirements. He or she will also help you determine if you need to take a placement test or meet any prerequisites for the courses you choose. Finally, your advisor is there to discuss your interests and goals and help you during the term if you run into any difficulties.

**ACADEMIC ADVISING**

Academic advisors assist students in selecting courses to satisfy degree requirements. If you are seeking a degree, you should plan to meet with your advisor well in advance of registering for classes to allow for a more relaxed meeting where there is time to discuss interests and goals. You are also encouraged to meet with your advisor during the term if you have questions, need to discuss any difficulties, or investigate career options. You can obtain in-depth career assessment, counseling and job search preparation through the Career Center at 934-4470.

An advisor’s signature is required on the registration form of undergraduate students in the School of Engineering.

Check below for your appropriate advisor. Please note that (U) denotes undergraduate level and (G) denotes graduate level.

DO I NEED TO TAKE A PLACEMENT TEST?
Placement tests are required before you can register for certain courses. If you are uncertain, ask your advisor which tests you should take.

Check the placement test schedules below to find out which courses require tests and the dates, times, and locations for testing. You do not need an appointment for a group test, but you should show up at least 15 minutes early. Seating is limited, and tests are given on a first-come, first-served basis. You will not be able to get into a testing session after the test begins, so do not be late.

IMPORTANT! YOU NEED TO PRESENT A PICTURE I.D. TO TAKE YOUR PLACEMENT TEST. A PICTURE I.D. CAN BE YOUR DRIVER'S LICENSE, STATE-ISSUED I.D., STUDENT I.D., OR PASSPORT.

The UAB Testing Center is located in HUC 470. If you are not able to take the placement tests at the assigned times, call 934-5503 for the UAB Testing Center. Academic Programs and Policy's Testing Center is a service that helps students schedule appointments for more convenient testing times. If you have an appointment with the Testing Center and cannot make it, be sure to call to cancel or reschedule at least one hour before your testing time.

If your scores on the English placement test do not meet the minimum requirements in reading or writing, you will be required to take EH 091 and earn a grade of “C” or better to be eligible to enroll in EH 101.

You may take an English placement test at the UAB Testing Center. Call 934-5503 to schedule an appointment.

PLEASE NOTE: If your first language is NOT English, you may be required to take a test for placement into English. (See below).

ENGLISH AS A SECOND LANGUAGE (ESL) PLACEMENT TEST

By individual appointment only.

If your first language is NOT English, you must demonstrate proficiency in writing and reading English by taking the ESL placement test. The ESL placement test is administered at the UAB Testing Center, (HUC 470). Please call 934-5503 for an appointment. Based on the test results, students will be placed in ELC 092, English Language and Culture I, ELC 093, English Language and Culture II, or EH 101, English Composition.

FOREIGN LANGUAGE

By individual appointment only.

French Computer Adaptive Test (untimed)
German Computer Adaptive Test (untimed)
Spanish Computer Adaptive Test (untimed)
Latin Reading Test (1 hour)

You do not need the placement test if you have never taken a foreign language and are beginning with 101. However, if you have had one year or more of a foreign language in high school within the last two years, you need to take a placement test in that language before enrolling in the 101-102 sequence. Placement tests are given in French, German, Latin, and Spanish.

Based on the placement test, you will be placed in 101, 102, or the 200 level in the appropriate language. Test results are submitted to the Department of Foreign Languages. Placement tests in foreign languages are administered on-line for Spanish, French and German at the Department of Foreign Languages and Literatures website, http://www.uab.edu/foreignlang/ or at the UAB Testing Center.

**COMPUTER TECHNOLOGIES**

**COMPETENCY EXAM**

Core curriculum requirements in computer technologies may be satisfied by appropriate course work or through a competency exam. The computer technologies competency exam will be held for the spring semester on Wednesday, February 11, 2004, at 9:00 a.m. You can register for the spring exam beginning October 1, 2003. The exam will be held in Room 115 Campbell Hall. You can register for the exam in the Department of Computer and Information Sciences, 115A Campbell Hall.

This examination is designed to reflect the material covered in CS 101 and the personal computers used in that course. Students who do not have the significant experience/knowledge with computers should not register for this examination. They should take one of the courses designed to meet the UAB Core Curriculum Computer Competency Requirements.

**TWO – SELECT YOUR COURSES**

Next, go through the course listings and find out what classes are available for you to take this semester. For updated information on courses added, cancelled, or changed since this schedule was printed, go online at students.uab.edu. Your advisor can help you pick out the right classes and fit them into a schedule.

The course listings beginning on page 19 in this schedule are arranged alphabetically by school, then by department. See page 9 for an example. Courses available in each department are listed with the call number, course prefix and number, course name, section code, credit hours, instructor’s name, meeting times, prerequisites, and class location. The campus map on the inside back cover can help you locate the buildings where your classes will be held.

Continued on next page
Now that you have worked out a schedule with your advisor, you can begin registering for the courses you have selected. UAB offers several convenient options to make it easy for you. You can register in person, by phone, or on the Web through ACCESS before classes begin. If you must register after the first day of classes, you must do so in person.

**THREE – REGISTER FOR YOUR CLASSES**

**STEP 1: REGISTERING ON THE WEB**

- Determine your assigned day and time for registering. If you have been admitted and your financial records are clear in the student accounting office, you should receive a card in the mail telling you when you can register. If not, check page 4 in this schedule to determine the earliest time you can register.

- At your assigned time to register, go to [students.uab.edu](http://students.uab.edu). Click on the blue tab labeled “Academics” and then click on ACCESS in the blue left column. You can also use the Web to register during open registration after your assigned time; however, ACCESS is not available after classes begin. If you have any trouble with the UAB ACCESS registration system, call 934-8222. Remember, the system will not let you register before your assigned date and time.

- Enter your Social Security number (student I.D.) and your personal identification number (PIN) as instructed. Then click PROCEED.

- The first time you use ACCESS, your PIN will be your birth month and day (example: May 6 is entered 0506). You will then see a screen saying “Welcome to UAB ACCESS. Please change your PIN to another 4-digit number before proceeding.” Enter a four-digit number of your choice in the field provided. The number you enter will be your permanent PIN number for enrollment at UAB. Please don’t lose this number.

- After your PIN number is accepted, you will see the ACCESS main menu. Click REGISTER, and the local address on file for you will appear. If your address has changed, click UPDATE.

- After your address is verified or updated, you will see the class registration screen. To register or add classes, enter the call number in the CALL field. To drop classes, click DROP.

- The schedule you see on the screen should have ENROLLED in the status column for registered classes. Classes you dropped will disappear from the schedule. Double check the schedule to be sure it is correct before you exit the program.

- Click VIEW SCHEDULE

- Print a copy of your schedule.

- You can only register for five classes at a time. If you need more than five, click PROCEED after you have entered your first five classes, then repeat the process for the remaining classes.

- If you are adding a class that has a time conflict with another class, you must first drop the class you do not want. Then click on PROCEED to add the class you want.

**STEP 2: REGISTERING BY PHONE**

- Determine your assigned day and time for registering. If you have been admitted and your financial records are clear in the student accounting office, you should receive a card in the mail telling you when you can register. If not, check page 4 in this schedule to determine the earliest time you can register.

- At your assigned time to register, call the ACCESS system. You can also use ACCESS to register during open registration after your assigned time. You cannot use ACCESS after classes begin. If you have any trouble with ACCESS, call 934-8222.

A withdrawal validation will be mailed back to your address of record. If you don’t receive your validation, be sure to contact Registration/Academic Records at 934-8222 before the deadline to withdraw.

HOW DOES WITHDRAWING AFFECT MY FINANCIAL AID?

Full- or part-time registered students who receive financial aid cannot completely withdraw or reduce their course load unless prior approval is granted by the Financial Aid office and Student Accounting Services. All students must be enrolled at least half-time (6-8 hours undergraduate, 5 hours graduate) to receive any financial aid including loans. Reducing your course load by withdrawing from courses may require repayment of financial aid.

UAB regards its students as responsible adults. By registering, you commit yourself to prompt payment of tuition and fees and you agree to UAB’s published policies.

WHEN TO PAY

Most universities require payment of tuition and fees at registration. UAB gives you this option, but also offers alternatives. You have the option to pay a minimum of 50 percent of tuition and fees due by the first payment deadline and the remaining balance no later than final payment deadline (see the academic calendar on the inside front cover). Payments must be received by these dates, whether you deliver it in person, by mail, or via ACCESS. If you miss these deadlines, there will be additional charges, and you run the risk of being considered in default, which gives UAB the right to take action to collect the debt.

A statement of fees is provided to each student at registration. School, classification, or course changes made after registration may result in additional charges. Credit for financial aid, UAB educational assistance benefits, or payments billed to a third party may not be reflected on your statement of fees. Account balances are available by phone, Web, or via ACCESS. If you need to clarify the amount due, call Student Accounting Services at 934-3570 or 1-888-255-8734. Payments can be made with Visa, MasterCard, or Discover via the Web or through the ACCESS phone system, by mail or in person.

• Pay your account by credit card with Visa, MasterCard or Discover via the Web at www.students.uab.edu.

• Use the ACCESS system to pay by credit card with Visa, MasterCard, or Discover. Call toll free, 1-888-988-2567 or 975-9600. Be sure to have your credit card number ready.

• Send your payment by mail to UAB Student Accounting Services, 1530 3rd Avenue South, HUC 322, Birmingham, Al. 35233-1150.

• Bring your payment in person to 322 Hill University Center, 1400 University Blvd. You can also use the payment drop box on the first floor of the Hill University Center.

FIRST CLASS ATTENDANCE POLICY

FIRST CLASS ATTENDANCE POLICY:

IF YOU MISS THE FIRST DAY OF A CLASS WITHOUT PRIOR NOTIFICATION, THE INSTRUCTOR HAS THE PREROGATIVE TO DROP YOU FROM THE COURSE. WHETHER YOU ARE DROPPED FROM THE CLASS IS ENTIRELY AT THE DISCRETION OF THE INSTRUCTOR, AND YOU ARE RESPONSIBLE FOR DETERMINING YOUR STATUS IN THE CLASS. BE SURE TO OFFICIALLY DROP FROM ANY CLASSES YOU CAN’T ATTEND.

FOUR – PAY YOUR TUITION AND FEES

At UAB you can pay for your tuition and fees at the time of registration or pay a minimum of 50 percent of tuition and fees by the first payment deadline (see the academic calendar on the inside front cover). The remaining balance must be paid on or before the final payment deadline specified in the academic calendar. Payment must be received by these dates whether you deliver it in person, by mail, or via ACCESS. If you miss these deadlines, there will be additional charges, and you run the risk of being considered in default, which gives UAB the right to take action to collect the debt.

• Bring your payment in person to 322 Hill University Center, 1400 University Blvd. You can also use the payment drop box on the first floor of the Hill University Center.
IF YOU HAVE PROBLEMS OR QUESTIONS CONCERNING YOUR CHARGES, CALL STUDENT ACCOUNTING SERVICES AT 934-3570 OR TOLL FREE AT 1-888-255-8734.

HOW TO PAY
Payment by mail should be directed to UAB Student Accounting Services; 1530 3rd Avenue South, HUC 322, Birmingham, Alabama 35233-1150. Payments may be made in person at 322 Hill University Center, 1400 University Boulevard; at the student payment drop box located on the first floor of Hill University Center; or with Visa, MasterCard or Discover through ACCESS at toll-free, 1-888-988-2567, 975-9600, or by web payment, http://students.uab.edu.

AMOUNT OWED
A statement of fees is provided to each student at registration. Charges shown on that statement are based on the student’s status and courses as of the date of registration. School, classification, or course changes made after registration may result in additional charges. Credit for financial aid, UAB educational assistance benefits, or payments to be billed to a third-party vendor may not be reflected on the statement of fees printed at registration. Account balances are available through Web and phone ACCESS. For information or clarification concerning the amount due, call Student Accounting Services at 934-3570 or 1-888-255-8734.

LATE PAYMENT FEE
If the minimum 50 percent of tuition and fees is not paid on or before the first payment deadline (see academic calendar), a $50 late payment fee will be added to the account balance. Payment date will be the date received in Student Accounting Services.

REINSTATEMENT FEE
If your account balance is not paid in full on or before the final payment deadline (see academic calendar), grades will be withheld, and a $150 reinstatement fee will be added to that account.

ADJUSTMENTS OF TUITION DUE
On the academic calendar for each term, there is a date designated “last day to withdraw from classes without paying full tuition.” The student’s residency status on that day determines the tuition rate incurred for that term. If a student officially withdraws from all courses prior to 5:00 p.m. on that date, all course related tuition and fees will be canceled. However, other fees previously assessed for services provided, fees assessed based on registration commitments and the fee for withdrawal ($30.00) will remain due and payable by the published deadline. (Consult the current term UAB Class Schedule for specific fees.) If a student withdraws after that date, total tuition and fees are due and no refunds can be made (except in cases where a licensed physician certifies that the student is incapable of continuing with the course because of a serious medical condition which arose after the above date).

Students withdrawn for disciplinary reasons or for nonpayment of fees are ineligible for refunds or cancellation of charges due.

FINANCIAL AID DISBURSEMENT
Financial aid is normally disbursed beginning the third day of class at 322 Hill University Center. Aid should be ready on that day for any financial aid award for which all necessary paperwork was returned to the Financial Aid Office 45 days prior to the beginning of the term. Mandatory tuition and fees will be deducted from financial aid and refunds will be issued by check or direct deposit.

Direct Deposit Forms are available in Student Accounting Services HUC 322. Checks that are not picked up within 10 days of issuance will be mailed to the address of record.

FINANCIAL AID REQUIREMENTS
You must pay your student account balance, including the current term’s charges, at the time a financial aid check is disbursed. When you register for classes, you create a financial obligation to UAB. An application for financial aid neither eliminates this responsibility, nor does it extend published deadlines.

You must be registered for the required number of hours for your financial aid to process.

FEES PAID BY OTHER THAN YOU OR YOUR FAMILY
If your tuition and fees are paid by anyone other than you or your family, you should notify the office of Student Accounting Services, Hill University Center room 322. This information is due by the last day of registration.

PRIVACY AND STUDENT RECORDS

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review student’s education records within 45 days of the date the University receives a request for access.

Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading. Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosure of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning the alleged failures by State University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

SEXUAL HARASSMENT POLICY

Introduction

The University of Alabama at Birmingham is firmly committed to providing an environment that is free of discrimination, including sexual harassment. Sexual harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when (1) submission to such conduct is made, either explicitly or implicitly, a term or condition of an individual’s employment or academic evaluation, (2) submission to, or rejection of, such conduct by an individual is used as the basis for employment or academic decisions affecting such individual, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual’s work performance or of creating an intimidating or hostile working or educational environment.

Such behavior may violate federal law and/or give rise to personal liability for the results of such behavior. Consequently, UAB prohibits all forms of sexual harassment and will investigate complaints thoroughly and with the utmost seriousness.

A violation of this policy may result in the taking of disciplinary action up to, and including, discharge.

Sexual Harassment in the Workplace

It is a violation of UAB policy for any employee, including faculty, to engage in sexual harassment in the workplace or in work-related situations. Employees who believe that they have been sexually harassed by a supervisor, co-worker, or other employee of UAB should report the incident promptly to the Human Resource Management Relations Office. Only Human Resource Management has the responsibility for coordinating and conducting an investigation of sexual harassment claims in the workplace and also for recommending corrective action to the UAB administration.

Sexual Harassment in the Instructional Setting

UAB prohibits sexual harassment of students by the teaching staff or other employees of UAB. For purposes of this policy, the term “teaching staff” means all those who teach at UAB and includes, but is not limited to, full-time faculty, part-time faculty, students functioning in teaching roles (such as graduate assistants), and academic administrators.

A student who believes that he or she has been sexually harassed should report the incident promptly to the Vice President for Student Affairs.

Sexual harassment by a student is considered nonacademic misconduct, and the alleged student offender will be subject to the disciplinary process contained in the Direction: Student Handbook.

Sexual Harassment—General

Full and prompt reporting is necessary for effective implementation of this policy, and UAB encourages such reporting. However, UAB’s duty to protect employees and students exists when UAB’s supervisory personnel know, or have reason to know, of unreported sexual harassment. Supervisors therefore are directed to take all appropriate steps to prevent sexual harassment in their areas of responsibility and to take corrective action, including disciplinary action, in response to inappropriate behavior which may constitute sexual harassment even in the absence of a complaint.

This policy seeks to encourage students, staff, and faculty to express freely and responsibly, through established procedure, complaints of sexual harassment. All such complaints shall be treated as confidential information and shall be disclosed only to those with a need to know as part of the investigatory and resolution process. Any act of interference, retaliation, or coercion by a UAB employee against a student or employee for using this policy interferes with such free expression and is itself a violation of this policy.

Implementation

This policy will be published regularly in the UAB Reporter and in the class schedule. The policy will be included in revisions of handbooks relating to staff, faculty, and students.

The Vice President for Financial Affairs and Administration is Continued on next page
responsible for implementation of this policy as it relates to sexual harassment in the workplace. The Vice President for Student Affairs is responsible for implementation of this policy as it relates to sexual harassment in the instructional setting.

**DRUG-FREE CAMPUS POLICY FOR STUDENTS**

UAB’s drug-free campus policy was revised and approved December 14, 1991, and applies to all UAB students. The policy statement and attachments are as follows.

NOTE: See also the following related policies:

- Drug-free Workplace Policy; Drug Screening Policy for Student Athletes; School of Medicine "Policy on Impairment and Chemical Substance Abuse"; School of Dentistry "Policy on Impairment and Chemical Substance Abuse"; School of Nursing "Policy on Impairment and Chemical Substance Abuse."

**Policy Statement**

This policy is applicable to all students enrolled in credit courses or degree granting programs at the University of Alabama at Birmingham and to all students receiving academic credit at UAB (other than for continuing education units) for study in a program in a foreign country conducted by UAB alone or in conjunction with a foreign university.

Unlawful possession, use, manufacture, distribution, or dispensing of illicit drugs, controlled substances, or alcoholic beverages by any UAB student on UAB property or as part of any UAB-sponsored or UAB-sanctioned activity is prohibited. The legal possession, use, or distribution of alcoholic beverages on UAB property or at UAB-sponsored or UAB-sanctioned activities is governed by the UAB General Policy Regarding the Use and Consumption of Alcoholic Beverages and applicable local, state, and federal laws.

In certain situations, the University is required to report the activities prohibited by this policy to appropriate law enforcement authorities. In all cases, the University may report activities prohibited by this policy to appropriate law enforcement authorities if it appears that the activity is a violation of law.

**Disciplinary Actions**

Violations of this policy constitute nonacademic misconduct and will be subject to established disciplinary action for nonacademic misconduct in accordance with stipulations in the Direction student handbook or other applicable procedures. Violations of this policy by students should be reported to the appropriate student affairs office or other office handling student nonacademic misconduct in the same manner in which other instances of nonacademic misconduct are reported.

In some cases of violation of this policy for unlawful use, a student may be given, at the discretion of the University, the option to participate satisfactorily in an approved drug or alcohol abuse assistance or rehabilitation program in lieu of dismissal. Participation in such an assistance or rehabilitation program is at the expense of the student.

**Drug-free Awareness Program**

At least annually, UAB shall inform students of the dangers of drug and alcohol abuse on campus, of the existence of this policy statement and its penalties for violations, and of available drug and alcohol counseling, rehabilitation, and assistance through the following activities:

1. Publication, at least annually, of this policy in appropriate student publications and distribution to students in UAB’s foreign programs and to students in programs conducted in conjunction with foreign universities;
2. Inclusion of this policy in future editions of student class schedules and/or registration materials, student handbooks, and student catalogs;
3. Dissemination of this policy and of information at student orientation and assistance programs regarding the dangers of drug and alcohol use and abuse and available rehabilitation programs; and
4. Continuation, and expansion, of the UAB drug and alcohol awareness program which includes sponsorship of the “Alcohol/Drug Awareness Week” and publication of pamphlets and other materials.

**Applicability to Other Policies**

Other drug-free policies created to cover specific areas of the University may be more restrictive than this policy but may not be less restrictive. At a minimum, other such policies must include, or reference, the provisions of this policy. Violators will be subject to the provisions of the more stringent policy but will not be punished under more than one policy for the same offense.

This policy does not revoke or otherwise interfere with policies in the health professional schools designed to determine whether health care professionals are impaired and to offer rehabilitation, subject to the above provisions.

The wording in the "Non-academic Conduct" section of the Direction Student Handbook which relates to causes of dismissal due to the use, possession, etc. of illicit drugs, controlled substances, or alcoholic beverages references only certain provisions of this more extensive policy. The entire policy is applicable in all cases even if the policy itself is not printed in full.

**Effective Date and Implementation**

This policy is effective immediately upon its being signed by the president [December 14, 1991]. The offices of the appropriate vice presidents are responsible for the development and maintenance of procedures to implement this policy within their areas of responsibility.

In addition to being distributed to students on the UAB campus, this policy will be distributed to students in UAB's foreign programs and in programs conducted in conjunction with foreign universities. The Vice President for Student Affairs is responsible for all distributions to students covered by this policy.

Summary of State Penalties and Sanctions
Under Alabama law, the possession, purchase, or consumption of alcoholic beverages by a person under 21 years of age is punishable by a fine of up to $500 and by up to three months in jail. Also under Alabama law, for a first offense, unlawful possession of a controlled substance (that is, illegal drugs) may be punished by imprisonment up to ten years and a $5,000 fine and unlawful distribution of controlled substances may be punished by imprisonment up to 20 years and a $10,000 fine. Subsequent offenses may carry more stringent sentences.

Drug-Free Schools and Communities Act
Illegal drug and alcohol use, consumption, distribution, etc. on college and university campuses are also covered by the provisions of the United States Drug-Free Schools and Communities Act Amendment of 1989 (Public Law 101-226).

Legal Sanctions in Foreign Countries
Students in a program in a foreign country conducted by UAB alone or in conjunction with a foreign university also may be subject to sanctions under foreign law or under the Uniform Code of Military Justice. Although the legal sanctions described in this policy under United States law may not apply to students in a foreign country, UAB will nevertheless hold such students to the same standards as students within the United States and will take the disciplinary actions described in this policy for violations of these standards.

Attachment B - “Drug and Alcohol Use Health Risks,” General

Although there has been recent change in American health habits and societal attitudes toward recreational drug and alcohol use, problems continue to exist and experimentation is starting at an earlier age. An important piece of information to surface in recent years is that even moderate, non-prescribed use of alcohol and non-prescribed use of drugs can have an adverse effect on overall health and well-being. Consider the following facts:
1. Drinking more than one or two alcoholic beverages a week promotes more visible signs of aging;
2. Consuming one and one-half or more alcoholic beverages per day increases the risk of breast cancer;
3. Drinking alcoholic beverages poisons the heart muscle, counteracting the benefits of exercise, increases male impotence, and depresses the body’s immune system;
4. Tobacco use is a contributing factor in the development of chronic bronchitis, emphysema, circulatory problems, and coronary disease, as well as being the leading cause of lung cancer;
5. Cocaine use is responsible for kidney damage, stroke, lung and heart diseases, seizures, and intense psychological problems;
6. Many forms of narcotics are highly addictive to users;
7. Marijuana use creates certain dysfunctions related to thinking, learning, and recall; aggravates asthma, bronchitis, and emphysema; contributes to fertility problems; and contributes to the development of lung cancer;
8. The non-prescribed use of tranquilizers, barbiturates, and amphetamines is dangerous and may cause major health problems, including death;
9. Extended drug and/or alcohol use may result in substance dependency and loss of control of an individual’s life.

Attachment B.1 Alcohol — Effects (55 Federal Register 33591)

Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol also increase the incidence of a variety of aggressive acts, including spouse and child abuse. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person’s ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life-threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, can also lead to permanent damage to vital organs such as the brain and the liver.

Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than...
other youngsters of becoming alcoholics.

**Uses and Effects of Controlled Substances**

See Attachment B.2 for additional information concerning health risks involved in drug use.

**Attachment C - "Drug and Alcohol Counseling, Treatment, and Rehabilitation Programs," December 14, 1991**

**Student Services**

The Campus Assistance Program is designed to address the following issues: continued longitudinal needs assessments, campus community awareness, enlistment of support from all campus segments, identification of high-risk students, early intervention, development of peer counseling and support groups, and referral to on/off campus resources and treatment facilities when indicated. The following are on-campus programs available to students.
