BlazerNET Registration Quick Guide

- Log in to [BlazerNET](#) using your BlazerID and strong password.

- Click on the Student Resources tab.

- Select the "Registration Tools" channel.

- Click on "Registration Status" and select a term. From the Registration Status page, you may view your assigned time to register, your holds, your current major and other important registration information. Note that under certain circumstances you may be instructed to obtain a RAC (Registration Access Code) from your academic advisor before proceeding to register for classes.

- Select a term from the drop down list for the term you are registering for.
• Press submit.

• Select “Back to Student Resources Tab” at the top of the screen.

• At this point, you have 2 options. You can browse through the schedule of classes by clicking on “Look Up Classes” or you can go directly to Add or Drop Classes.

• Before registering, you must obtain Course Reference Numbers (CRNs) for each of your classes by viewing the schedule. To do this, click on “Look Up Classes” on the Registration Tools Channel.

For a more detailed explanation of how to use BlazerNET to register, please see the full BlazerNET Guide to Registration.
