

Department of Ophthalmology

2016 - 2017

Loris and David Rich Lecture Series in Visual Science

Modelling non-IOP risk factors for glaucoma
Bang Bui PhD,
Associate Professor
ARC Future Fellow
Department of Optometry and Vision Sciences
University of Melbourne

September 28, 2016 | 12:00 pm

Area of interest: Computational & psychophysical study of visual and auditory perception, attention Zhong-Lin Lu, PhD,

Zhong-Lin Lu, PhD,
Professor of Psychology,
Director of the center for cognitive and behavioral brain imaging, arts & sciences,
Ohio State University

October 12, 2016 | 12:00 pm

Area of interest: structural and molecular basis for degenerative diseases of the retina

Robert F. Mullins, MS, PhD, Martin and Ruth Carver Chair in Ocular Cell Biology, Professor of Ophthalmology and Visual Sciences, Professor of Molecular Physiology and Biophysics, Biophysics University of Iowa

October 19, 2016 | 12:00 pm

Imaging the RPE from early to advanced AMD Ursula Schmidt-Erfurth,
Professor and Chair

Department of Ophthalmology and Optometry Medical University Wien, Austria

SCHOOL OF MEDICINE

Department of Ophthalmology

December 07, 2016 | 12:00 pm

Magnetic field induced nystagmus: An update including setpoint adaptation

David Zee, MD, Professor, Neuro-Visual & Vestibular Division Departments of Neurology, Ophthalmology, Otolaryngology-Head and Neck Surgery, and Neuroscience, The Johns Hopkins Hospital

Area of interest: Mechanics of soft adaptive materials in ocular disease

Vicky Nguyen, PhD Associate Professor, Whiting School of Engineering Johns Hopkins University

February 22, 2017 | 12:00 pm

Area of interest: Retinal imaging, optical coherence tomography

Yoshiaki Yasuno, PhD, Assistant Professor Computational Optics Group (COG), University of Tsukuba

March 01, 2017 | 12:00 pm

Neural organization and function of retina Dennis Dacey, PhD, University of Washington Department of Biological Structure Washington National Primate Research Center

May 17, 2017 | 12:00 pm

Vascular physiology in retinal and optic nerve head disease Bill Morgan, MD, PhD,

Professor, University of Western Australia Co-Director, Lions Eye Institute Head of Department of Ophthalmology, Royal Perth Hospital
