Tonya L. Webb

Crime Prevention Specialist Tonya Webb knows two things: Crime prevention is everyone’s responsibility, and together we can make a difference.

She began her career here in 1985 in the UAB Police Department, and her supervisors soon noticed her special talents and her gift for being concerned about others. She developed, coordinated, assisted and implemented a number of crime-prevention programs for the faculty, staff, students and the UAB community.

Tonya’s focus is the overall quality of life and public safety. The UAB Police Crime Prevention Unit is the nucleus of the community where Tonya is actively involved in many programs designed for raising awareness of and preventing crime. The unit assists the Patrol Operations Division, Special Operations Department and other units within the police department to improve the environment for all who visit the UAB campus.

It often is said that Tonya is a shoulder above others when it comes to her commitment, dedication, responsibility and loyalty to her job and what it represents to the UAB community. Through her many faithful and dedicated years at UAB, she has proven herself time and time again.

Tonya has been the recipient of numerous awards and certificates because of her courage, character and strength, which is shown in all of her endeavors, and her willingness to go above and beyond what is required of her.

Meet Tonya Webb at the UAB Campus Watch meetings held four times a year on campus. You can also attend the meetings and let your voice be heard.

Programs the Crime Prevention Unit conducts

- **UAB Campus Watch** – Applies the Neighborhood Watch concept to the campus/medical center. This program encourages the community to take an active role in the fight against crime.

- **UAB Police Advisory Board** – Volunteers from within the community listen to the needs of people and present those concerns to the Chief of UAB Police. The program encourages involvement by acknowledging the concerns of each individual.

- **Rape Aggression Defense** – This program teaches individuals to be aware of potential aggressors and protect oneself from aggressors. UAB students, faculty, staff and employees learn how to defend themselves if attacked.

- **Pedestrian Safety Campaign** – Encouragement of safe habits and traffic policies. Pedestrians Safety is a very serious concern, and a behavioral change is needed.

- **Get Mugged Campaign** – Understanding the need to be aware of your surroundings. This program also teaches the UAB community the importance of securing their valuables while at UAB.

- **UAB Healthy Lifestyles** – Teaching the youth about life choices and consequences. This program persuades and teaches adolescents to make better decisions that are beneficial to their health and lifestyle choices.

- **Domestic Violence Seminar** – Teaching the signs and symptoms of abuse. During this seminar the UAB community learns different approaches to getting help for themselves and others in domestic violence situations.

- **Workplace Violence Seminar** – Learning different methods to identify and curtail work place violence. Reviewing laws and employee rights and procedures to take when faced with this type of situation.

- **Personal Safety Awareness Seminar** – Informing the community of the possible dangers of unwanted/uninvited individuals that could be lurking in the area. Offering suggestions to keep persons and their environment safe.

The Callahan Eye Foundation Hospital

UAB Police Security Service provides professional services

In July 1997, The Callahan Eye Foundation Hospital (CEFHI) became a part of UAB.

The Callahan Eye Foundation Hospital, a 237,775-square-foot facility located at 1720 University Blvd., is a seven-floor structure that houses an emergency room, clinical in-patient and outpatient treatment areas, an Optical Shoppe, pharmacy, laboratory and professional office and administrative suites. The hospital treats approximately 20,000 patients each year.

The CEFH has the only 24-hour, 7-day-a-week eye-care emergency room in Alabama.

In October 2010, the Callahan Eye Foundation Hospital administration selected the services of the UAB Police to provide professional police and security services for their employees, patients, staff and visitors.

The Security Division provides these services and more:

• Performs foot patrols to prevent and deter crime, unauthorized activity and safety problems.
• Monitors vehicle traffic in the parking deck, loading dock, ambulance area, and patient loading area.
• Monitors the pedestrian movement of patients and visitors into and throughout the facility.
• Assists with directions and providing information to patients and visitors.
• Performs walking escorts to and from the parking deck.
• Ensures a safe environment for patients, visitors and hospital staff.
• The UAB Hospital Commander, Captain Roderick W. Wilkins, is the liaison between Hospital Administration and the UAB PD.

THE UAB POLICE DEPARTMENT – VISION STATEMENT

"This Department will be the vanguard of safety for our University community:

"Doing anything for anybody at anytime!"

THE UAB POLICE DEPARTMENT – MISSION STATEMENT

"To provide high-quality, accessible service to the University community that helps foster safety and security on campus by being responsive to the changing needs of our customers."

A message from the Chief of Police

The UAB Police Department welcomes the students, faculty and staff back to campus for spring.

Our Pedestrian Safety Campaign 2010 exceeded its goal to reduce the number of pedestrians injured by vehicles by 10 percent. The police incident/accident reports indicate that there has been a 50 percent reduction in vehicle-caused pedestrian injuries compared to 2009.

The campaign will continue to be proactive:

1. Educating the UAB community on pedestrian safety by distributing safety brochures, publishing articles in UAB media and the use of a traveling educational display.
2. The UAB Motor Scout unit will help monitor pedestrian traffic at busy intersections.
3. Pedestrians may be issued warning citations for jaywalking violations.

To learn more about our educational program and/or our safety and security courses, please contact our Crime Prevention Specialist, Tonya Webb, at 934-2409.

— Chief Anthony Purcell

Welcome from the Campus Watch President for 2011

In the words of Oscar Wilde, "The only thing to do with good advice is to pass it on. It is never of any use to oneself."

The Campus Watch Program passes on good advice and information concerning safety for our faculty, staff and the entire UAB community. We invite you to join us at our Campus Watch meetings for 2011. The dates are listed in the Campus Watcher.

Remember, Safety comes in Cans — I can, You can, We can — if we all work together.

I look forward to seeing you at the meeting(s).

— Seretta F. Woods, President, UAB Campus Watch Program

Pedestrian Safety campaign is under way

Published on November 15, 2010

Volunteers will be distributing educational brochures for the UAB Police Department Pedestrian Safety Campaign at the various locations Nov. 16 and 18 from 7:30 to 8:30 a.m. and noon to 1 p.m. at various locations around campus.
Bicycling and Road Safety

Bike riding is fun, but accidents happen. Here are seven important tips for a safe ride:

* Go With the Traffic Flow. Ride in the right lane in the same direction as other vehicles.
* Obey All Traffic Laws. Obey all traffic signs, signals, and lane markings.

* Yield to Traffic When Appropriate. When entering an intersection, slow down and look to see if the way is clear before proceeding. Also yield to pedestrians in the crosswalks.
* Be Predictable. Ride in a straight line. Avoid weaving between cars.
* Stay Alert at All Times. Use your eyes and ears. Watch out for potholes, cracks, wet leaves, storm grates, railroad tracks, or anything that could cause you to lose control of your bike. Also, avoid wearing headsets when riding.
* Look Before Turning. When making a turn, always look behind you for a break in traffic, then signal before making the turn. Watch for vehicles that are turning right or left.
* Watch for Parked Cars. Ride far enough from the curb to avoid hitting car doors that open suddenly or cars that pull out into traffic.

Jogging Safety Tips

Joggers and walkers should always be alert and aware of their surroundings. Here are some safety tips to remember:

- Whenever possible, jog or walk with a friend.
- Carry a whistle or some kind of portable alarm device.
- Avoid wearing headphones or portable electronic devices that may impair your ability to hear.
- Always let someone know the route you’re taking.
- Always jog toward the traffic so that you can see what is coming toward you.
- If possible, avoid jogging at night.
- At night, wear light-colored clothing or clothing made of reflective material.
- Avoid jogging through alleys, heavily wooded or secluded areas or any area with poor visibility.
- Avoid getting close to strangers who ask for directions.
- If someone attacks you, yell loudly to draw attention to yourself.
