Before you can attend most UAB events or utilize certain student services, you must get your UAB ONE Card. Your UAB ONE Card serves as your student ID and grants you access to UAB athletic and cultural events, intramural sports, libraries, the Campus Recreation Center, and much more.

**UAB Libraries:** UAB has two libraries to serve you. The Mervyn H. Sterne Library houses a collection of over one million items that supports teaching and research in the arts and humanities, business, education, engineering, natural sciences and mathematics, and social and behavioral sciences. You can also find a full service Starbucks in Sterne Library. The Lister Hill Library of the Health Sciences is Alabama’s largest biomedical library, providing services and resources in medicine, nursing, optometry, dentistry, public health, health professions, and other health sciences. To learn more about the all library resources and services, visit uab.edu/libraries.

**UAB Campus Recreation Center:** The Campus Rec Center is one of the most popular places on campus for students. It boasts 150,000 square feet of space for sports, cardio, weightlifting, swimming, rock climbing and more. Joining the campus rec center is easy and free! Visit uab.edu/campusrecreation for more information.

**UAB Outdoor Pursuits:** If you enjoy the outdoors, you should consider joining a group of your fellow students on an Outdoor Pursuits trip. With so many trip options like hiking, rock climbing, ice climbing, backpacking, and canoeing, you will be sure to find a trip that suits your need for adventure. Each trip requires a fee to attend, but students enjoy a discounted student rate. For more information about Outdoor Pursuits, visit uab.edu/campusrecreation.

**UAB Competitive Sports:** UAB offers many options for those students interested in competitive sports that do not play on an intercollegiate sports team. Show us your competitive spirit as you participate in intramural sports, club sports, fantasy sports, team leagues, or any other of our opportunities. Most competitive sports require a registration fee. To find out more about competitive sports, please visit uab.edu/campusrecreation.

**UAB Athletics:** Come cheer on the Blazers! Students get in free to every regular season home game – for every sport – with their ONE Card. UAB participates in 16 sports in Conference-USA. It is an exciting time in UAB Athletics with new coaches building programs and other programs reaching new heights. You can find schedules and more by visiting uabsports.com.

**UAB Dining Options:** UAB has many on-campus dining options including the Commons on the Green, Starbucks in Sterne Library, and Einstein Bros. Bagels in the Learning Resource Center. You also have the option to purchase a dining plan. For detailed information and a list of all restaurants, visit uab.edu/dining.

**UAB Student Events:** You are invited to attend UAB student events and will be admitted by showing your ONE Card (student ID). Events and activities can be found at uab.edu/bsync.
Welcome to the Joint Admission Program! We are delighted that you have chosen to be part of this unique opportunity. UAB and our community college partners are committed to providing you with the service and assistance necessary for you to make a successful transition from earning your associate’s degree to working towards your bachelor’s degree. During your academic pursuit at your community college, you will have access to an on-site UAB admissions counselor, who will help ensure that you meet the requirements necessary to transfer to UAB. You will also have access to many academic services, student facilities, student life activities, and athletic events. We wish you great success at your community college and look forward to welcoming you as a future Blazer!

Go Blazers!

Joint Admission Program Eligibility
To be eligible for participation in the program, you must be:
• enrolled at a partner community college;
• a first-year student; and
• a full-time student.

To maintain participation in the program, you must:
• maintain continuous enrollment at your chosen partner community college; and
• meet regularly with your community college academic advisor and UAB joint admission counselor.

To be eligible for auto-admission to UAB, you must:
• earn a non-technical associate’s degree before transitioning to UAB; and
• send academic transcript(s) listing your graduation date, degree, and final cumulative GPA to UAB immediately upon degree conferral.

Note: Joint Admission students are subject to the academic and disciplinary policies of the community college. Additionally, students are subject to UAB’s policies governing student use of computers, technology, email, athletic facilities, and library when using those services, without regard to enrollment. While Joint Admission participants are guaranteed admission to UAB, certain majors may have additional admission requirements.

Joint Admission Program Scholarship Eligibility
To be eligible for the $2,000 Joint Admission Scholarship you must:
• be continuously enrolled at a partner community college for a minimum of one year;
• fulfill all requirements of the program; and
• earn a non-technical associate’s degree with a minimum GPA of 3.0.

Don’t Forget To
• Contact your community college to ensure that you have submitted all information and documentation needed to enroll.
• Submit your official high school transcript to your community college.
• Confirm that FAFSA (Financial Aid) information has been sent to your community college.
• Visit your community college’s website to find the dates for orientation and registration.
