QEP

As part of our 2015 SACSCOC reaffirmation, UAB is required to submit a Quality Enhancement Plan (QEP) that is designed to improve an aspect of student learning and, therefore, enhance the quality of education at UAB. An acceptable QEP must:

1. Address a specific topic
2. Be developed and supported by the campus community
3. Have defined goals
4. Be evaluated for its effectiveness

QEP Timeline

Steering Committee Timeline

- Winter 2014: Units determine their part of the QEP
- Late Spring/Summer 2014: Small number of units pilot the new QEP
- Summer 2014: Written QEP is professionally edited
- Early Fall 2014: Incorporate pilot data in the QEP
