Suminagashi

Toby H. Richards, artist-in-residence at the Birmingham Museum of Art, will demonstrate and teach the ancient art of Suminagashi. Also known as "floating ink," suminagashi is the process of marbling plain paper with water and ink to transform it into something vibrant and colorful.
The mission of the UAB Multicultural Council is to celebrate diversity, broaden cultural understanding, encourage unity and promote intercultural interactions between all communities of people at The University of Alabama at Birmingham.
