WANT TO TALK?

Sure you’ve got an official advisor for your majors and minors but did you know that any of our faculty would be happy to meet with you. The great thing about our majors and minors are the flexibility students have with the courses they take. However, with such great flexibility there may come some questions about what class you should take, when or what is the class actually about? Don't be shy. Drop by any of our faculty members’ office or send a note through email and we would will gladly talk and meet with you even if its at a café in Heidelberg! (Ok, we may not always travel that far but we certainly do want to hear from you.) Picture at right is Our DFL Lifetime Ambassador, Michael Adams and Dr. Erika Rinker in Heidelberg, Germany.

A SNEAK PEAK AT SPRING 2017
