

COURSE DESCRIPTION
INTRO DIFFERENTIAL EQUATIONS
MA 252-2A, 51943
FALL 2022

DEPARTMENT OF MATHEMATICS
UNIVERSITY OF ALABAMA AT BIRMINGHAM

Course Instructor: Professor Yanni Zeng
Office: UH 4012
Phone#: (205) 934-2154
E-mail: ynzeng@uab.edu
Office Hours: Tuesday 9:30–10:30 AM (or by appointment)

Meeting times: TUE THU, 8:00 – 9:15 AM

Meeting location: HHB 221

Prerequisite: Grade of C or better in MA 126 or MA 226.

Credits: 3 semester hours

Textbook: *Fundamentals of Differential Equations* by Nagle-Saff-Snider, Pearson, 9th edition (MyLab Math with Pearson eText – 18 Week Standalone Access Card).

- This course participates the UAB Bookstore's First Day program, see the end of the syllabus. *The deadline to opt-out for the First Day program is the last day to add/drop classes.*
 - You can access your digital course materials through Canvas. First-time users will need to create an account with the publisher. Please see the page attached to this syllabus for registration instructions.
-

Important dates:

First day of classes: August 22, 2022

Last day to drop without paying full tuition: August 29, 2022

Labor Day Holiday: Monday, September 5, 2022

Last day to withdraw with a "W": October 14, 2022

Fall/Thanksgiving Break: November 21–November 27, 2022

Last day of class: December 2, 2022

Test I: near Thursday, September 15;
Major exams (tests): Test II: near Thursday, October 13;
Test III: near Thursday, November 17.

(These dates are approximate and may be slightly shifted due to unforeseen circumstances.)

Final exam: Tuesday, December 6, 2022, 8:00AM – 10:30 AM

Course policies:

- Please make sure that you are able to receive e-mail through your Blazer-ID account. Official course announcements may be sent to that address.
- If you are contacted by the Early Alert Program, you should consider taking advantage of the services it offers. Various services to assist you are also listed in the *Student Resources* section of the *Blazernet* web site.
- If you wish to request a disability accommodation please contact DSS at 934-4205 or at dss@uab.edu.
- The two lowest quiz grades and the five lowest homework grades will be dropped to account for any missed assignments due to illness or any other circumstance. If a test is missed due to a serious verifiable circumstance or official university business, the test grade will be replaced with the final exam score. Otherwise, if you miss an exam you will receive a zero score for this exam. In the unlikely event when two or more midterm tests are missed due to a serious verifiable circumstance or official university business, the matter will be resolved on the case by case basis. In any case you **must** inform your instructor of such circumstances **before** the exam takes place.
- Calculators (without internet access) will be allowed during any of the tests or quizzes. In addition, students can bring one quick reference card to tests, including the final exam (i.e., a standard size 5" × 8"-index card; both sides can be used).

Methods of teaching and learning:

- Class meetings of 75 minutes consisting of lectures and discussions of examples and homework problems. Time also includes quizzes and three in-class tests.
- Students are expected to undertake at least 10 hours of private study and homework per week.
- MyLab platform from Pearson will be used for online homework.

Assessment procedures:

- Student achievement will be assessed by the following measures:
 - **Regular online homework** (usually due on Tuesdays before class). There will be NO EXTENSION FOR HOMEWORK DEADLINES! Feedback is provided when wrong answers are given. Two attempts are allowed for each question, so make sure that you are fairly confident in your answers, before you input them. Homework contributes 15% to the course average. Problems on tests are

modeled after homework problems. Staying on top of homework is therefore extremely important.

- **Weekly quizzes** (usually during Tuesday classes). There will be NO MAKEUP QUIZZES! Quiz problems are similar to the homework problem sets. This allows students to gauge whether they are ready to work problems in a test situation. Quizzes contribute 15 % to the course average.
- **Three in class tests.** Partial credit is awarded where appropriate. Each test contributes 15% to the course average.
- **A 150-minute comprehensive final examination.** The final exam will be cumulative, i.e. it will test on all the material. The final contributes 25% to the course average.
- Your course performance is your course average (including the final exam score). This is a number between 0 and 100.
- Your final grade is determined according to the following table:

Course performance:	88-100	75-87	62-74	50-61	below 50
Final Grade:	A	B	C	D	F

Title IX Statement: The University of Alabama at Birmingham is committed to providing an environment that is free from sexual misconduct, which includes gender-based assault, harassment, exploitation, dating and domestic violence, stalking, as well as discrimination based on sex, sexual orientation, gender identity, and gender expression. If you have experienced any of the aforementioned conduct we encourage you to report the incident. UAB provides several avenues for reporting. For more information about Title IX, policy, reporting, protections, resources and supports, please visit the UAB Title IX webpage for UAB's Title IX Sex Discrimination, Sexual Harassment, and SexualViolence Policy; UAB's Equal Opportunity and Discriminatory Harassment Policy; and the Duty to Report and Non-Retaliation Policy.

First Day Access (Course Materials):

To enhance your learning experience and provide affordable access to the right course material, this course is part of an inclusive access model called First Day Access. You can easily access the required materials for this course at a discounted price, and benefit from single sign-on access with no codes required all in Canvas.

UAB will bill you at the discounted price as a course charge for this course. The charge should show as "Book- dept and course number" on your student account in Banner.

It is NOT recommended that students Opt-Out, as these materials are required to complete the course. You can choose to Opt-Out on the first day of class, but you will be responsible for purchasing your course materials at the full retail price and access to your materials may be suspended.

For more information and FAQs go to customercare.bncollege.com.

Student Registration Instructions for Canvas

First, open Pearson

1. Log in to Canvas and open your Canvas course.
2. Select a MyLab and Mastering link in Course Navigation or a module.
3. Select **Open MyLab & Mastering** to go to the course home page or select a link under Student Links.

Using a partner integration such as VitalSource, RedShelf, or Barnes & Noble? Select a link such as Launch courseware, View Course Materials, or Start Studying.

Ask your instructor if you need help finding Pearson in your course.

Next, get access to your course content

1. Sign in to link your Pearson and Canvas accounts. If you're new to MyLab and Mastering, create an account.
2. Select any available access option, if asked.
 - Enter a prepaid access code that came with your textbook or from the bookstore.
 - Buy instant access using a credit card or PayPal account.
 - Select **Get temporary access without payment for 14 days.**
3. Select **Go to my course.**

We recommend you always enter your MyLab Math course through Canvas.

Need help ?

Make sure your browser is ready. Check the system requirements at <https://mlm.pearson.com/global/system-requirements/>
