Meeting location: remote
Textbook : *Principle of Mathematical Analysis*, 3rd edition, by Walter Rudin,
McGraw-Hill, Inc. New York, 1976.

Grading. The course grade will comprise the following:

One in class midterm (20%)
Regular homework (40%)
Comprehensive final examination (40%)

Make-up. None.

If you don't turn in the final exam when due, you will receive the grade "F" in the course. If you miss the midterm for justifiable reasons, yours score on the final will be used proportionally in its place.

Homework. Homework will be assigned regularly. Since the homework grade constitutes 40% of your course grade, it is strongly recommended that you attend classes on a regular basis and complete all homework assignments when due.

DSS. If you wish to request a disability accommodation, please contact DSS at 934-4205 or at dss@uab.edu.
