**Text:** *Introduction to Vector Analysis*, Seventh Edition, by Harry F. Davis and A. David Snider, Hawkes Learning, 2016.

**Grading:** The course grade will comprise the following:

2 tests (20% each)

quizzes/homework (20%)

final examination (40%)

Those taking the course at the 544-level may have additional problems on assignments/quizzes and exams.

**Make-up(s):** *None.*

If you miss the final, you will receive the grade “**F**”. If you miss a test, your score on the final will be used in its place. Additional missed tests will receive a score of zero.

### Quizzes/homework:

Quizzes/homework will be given regularly. Since the quiz/homework grade constitutes 20% of your course grade, it is strongly recommended that you attend classes on a regular basis and complete all homework assignments when due.
