## Audition and Admission Requirements

2025-2026

## Audition Information

All questions about auditions should be directed to Department of Music Chair  
Dr. Patrick Evans at [patricke@uab.edu](mailto:patricke@uab.edu)

There are three audition deadlines, by which the student must complete the online audition form, email links to the audition video, and, if auditioning for the Music Technology or Music Therapy Program, complete the online Music Technology or Music Therapy Questionnaire, and complete an online music theory placement exam.

For Admission and Scholarship Consideration:

**Sunday, February 15, 2026 (Scholarship and Admission)**

**Saturday, March 21, 2026 (Scholarship and Admission)**

For Admission:

**Saturday, April 4, 2026 (Admission Only)**

After March 21, students may still audition, but there is no guarantee of scholarship consideration, so early auditions are encouraged.

It is essential that the student seeking an audition must apply and be admitted academically to UAB. No scholarship offer can be made until a student is academically admitted.

Students who do not wish to be a music major or minor but are interested in auditioning for band or choral ensembles and scholarship opportunities should email Director of Bands Dr. Sean Murray [spmurray@uab.edu](mailto:spmurray@uab.edu) or Director of Choral Activities Dr. Brian Kittredge at [briank@uab.edu](mailto:briank@uab.edu) to set up a non-major/minor band or choral audition.

After the audition, students auditioning to be a music major will be informed of one of three outcomes:

- 1) Admission is granted and they may enroll as a Music Major;
- 2) Admission is conditional, in which case they are admitted as a Pre-Music major and have one year to gain full admission as a Music Major;
- 3) Admission is denied.

In the case of number 2 above, students must re-audition in order to gain full admission as a Music Major. In the event they are not accepted, they will be advised to seek another major within the University. Students auditioning for admission as a Music Minor will either be fully admitted or denied. Once fully or conditionally admitted to the Department of Music, students will work closely with a music faculty advisor who will monitor their progress and advise in the selection of appropriate courses. Admission to UAB does not guarantee admission to the Department of Music.

The following pages list the specific requirements for auditioning on each instrument. Students wishing to major in music should use the listed repertoire as a guide; standard works of comparable quality are acceptable. Students wishing to minor in music will be expected to prepare the same technical material, but need only prepare one repertoire piece.

### Scholarships

There are two types of Music scholarships at UAB: **Music Major/Minor** scholarships and **Ensemble** scholarships. All students auditioning to be accepted as a Music Major or Minor are automatically eligible for all

available scholarships. No additional audition is required. Ensemble scholarships are awarded to students in any major for participation in bands or choirs, and auditions for these are held throughout the year.
