Eligibility Requirements for Scholarships:

1. Applicants must be admitted to the Nonprofit Management Certificate program at the University of Alabama at Birmingham.

2. Scholarships will be awarded to professionals working in the local and regional nonprofit sector, with preference given to applicants whose organization focuses on educational advancement, civic and community development, arts and cultural enrichment, health and human services, and environmental stewardship.

Administration of Scholarships:

1. Selection of scholarship recipients will be made by the Scholarship Committee in accordance with these general guidelines.

2. These scholarship awards will first be applied toward the recipient's tuition and fees (through the UAB Office of Financial Aid) for terms in which he or she is enrolled as a student in the College of Arts and Science in a degree-granting program. Any scholarship funds in excess of the amount required for tuition and fees will be disbursed to the student for books, supplies, or school-related expenses when the terms of the particular scholarship allow this.
