

Department of Psychology
Graduate Student Scholarship
Application Effective: 01 October 2023

The Department of Psychology encourages its graduate students to attend scientific conferences to present their research and learn about recent developments in their respective fields of study. It supports this activity through tuition and research scholarships of up to **\$750**. Graduate students who are the first author of a poster or presentation are eligible to apply for a **\$750** scholarship, and students who are co-authors can apply for up to **\$300**. Scholarships are limited to one award for the academic year (Fall, Spring, and the subsequent summer term). Scholarship requests for non-presenters or other training will be considered on a case-by-case basis but require justification from the Program Director.

Scholarship Applications must be received at least **1 month** in advance of the conference. Original, completed applications should be emailed to Olivia Barnes, ochood@uab.edu OR turned in at the Department of Psychology Administrative Office, located at Campbell Hall 415, **in Olivia Barnes' mailbox**. Please place the application in an envelope marked **“Graduate Student Scholarship Application.”** Students applying for scholarship funds must be in good academic standing and currently enrolled. Program Directors will consider departmental “citizenship” in making the decision to support the student’s application; examples include participation in faculty and student recruiting, attendance at Psychology colloquia, and participation in graduate program meetings.

Students will typically be notified of the decision within two weeks of its submission.

If awarded, the student will be required to sign a scholarship letter.
