

March 4, 2019

 **CCTS DIGEST**
Center for Clinical and Translational Science

Providing solutions to sharpen science, improve human health, and address disparities and diseases disproportionately represented within the Deep South.

SEE YOU AT TS19!

Explore • Collaborate • Educate • Innovate

**Translational
Science 2019**

March 5-8, 2019

Washington Marriott Wardman Park | Washington, DC

Co-sponsored by:    

**Digest News & Announcements
will be back next week!**

Funding Opportunities

Enhance Your Research with a CCTS and/or Radiology Imaging Development Voucher

Do you have specimens that need processing, data that need analyzing, or subjects who require dietary, nursing, or regulatory support? Would your project benefit from molecular, functional or anatomic images? The CCTS and UAB Dept. of Radiology voucher programs offer extra support that may help take your research to the next level. Investigators with a full-time faculty appointment at any CCTS Partner institution are encouraged to apply. Each program offers up to \$5,000 in direct costs. [More](#)

Limited Competition: Clinical and Translational Science Award (CTSA) Program: Collaborative Innovation Awards

The NCATS CTSA Program Collaborative Innovation Awards (CCIA) support team-based research to develop, demonstrate,

and disseminate innovations that can improve the translational science process and turn laboratory, clinical, and community observations into interventions that benefit public health. CCIA enable investigators to tackle a translational science problem no one hub can solve alone and/or to disseminate a validated solution developed at one hub to other hubs. **Submit applications to PAR-19-099 and PAR-19-100 by 5pm, Friday, March 8, 2019. [More](#)**

T32 Pre- and Post-Doctoral Health Services, Outcomes and Effectiveness Research Training Program

This training program prepares independent investigators to pursue careers in health services & outcomes research focused on translating research evidence into practice. Scholars are also trained in comparative effectiveness research methods for evaluating the benefits and harms of different treatment strategies and interventions on patient outcomes in real-world settings.

Submit applications for the [pre-doctoral](#) and [post-doctoral](#) fellowships by 5pm CST, Friday, March 15th.

This Week's Learning Opportunities

CCTS Drop-In Clinics

Join us for the weekly Monday Drop-In Clinic for free consultations in Biostats, Epidemiology and Research Design. No appointment necessary. Bring laptop and study related questions.

March 4 | 10am-2pm | Edge of Chaos | [More](#)

CCTS Drug Discovery Seminar Series

Holly Meadows, JD, Associate Director, Bill L. Harbert Institute for Innovation and Entrepreneurship at UAB, will discuss "Intellectual Property in Drug Discovery." Cosponsored by CCTS Partners UAB and Southern Research. Zoom available.

March 4 | 12-1pm | PCAMS | [More](#)

CCTS Drop-In Clinics

Join us for the first Wednesday Drop-In Clinics for free consultations in Biostats, Epidemiology and Research Design (BERD), Biorepository, Bionutrition, and Clinical Research Unit (CRU). No appointment necessary. Bring laptop and study related questions.

March 6 | 11:30am-1pm | PCAMS | [More](#)

Special Topics in Clinical Trials (Research Seminar Series)

Meet UAB's new IRB Director, Adam McClintock, and learn more about the updates on the Revised Common Rule. Registration full, but Zoom available.

March 7 | 12-1pm | PCAMS | [More](#)

Molecular Engineering of Adenovirus to Actualize Cancer Vaccines

David Curiel, MD, PhD, Professor of Radiation Oncology and Director of the Biologic Therapeutics Center at Washington University of St. Louis will discuss "Molecular Engineering of Adenovirus to Actualize Cancer Vaccines."

CCTS Friday Fellows Meeting

This meeting provides the opportunity for investigators, trainees, and others interested in population and health outcomes research to discuss best practices. Share your latest project in a supportive "discipline agnostic" environment; find new collaborators; develop foundational skills in study design, outcomes measurement, and evaluation; and practice critical "soft" career skills such as public speaking, networking, and providing/accepting constructive feedback. Zoom available.

March 8 | 8-9:30am | PCAMS | [More](#)

Upcoming Events

MARCH

CCTS Monthly Forum: CTSA Career Success

March 13 | 4-5:30pm | PCAMS | Zoom Available

CCTS Research Orientation Program

Registration required

March 14 | 8am-12pm | PCAMS

UAB-SERCAT Structural Biology Symposium

Registration required

March 14-15 | Edge of Chaos

CCTS Friday Fellows Meeting

March 15 | 8-9:30am | PCAMS | Zoom Available

Informatics Institute Powertalk Seminar Series: Toward Designing Smarter Electronic Clinical Documentation Systems

March 15 | 10:15-11:30am | Shelby 515 | Zoom Available

Accessing Clinical Data for Research with i2b2

Registration required

March 15 | 1-3pm | LRC 210A

4th Annual CCTS Bioethics Forum

Registration requested, walk-ins welcome

March 18 | 9am-1pm | Medical Towers 634

CCTS Drug Discovery Seminar Series: Medicinal Chemistry - From Hit to Lead

March 18 | 12-1pm | PCAMS | Zoom Available

UAB Center for Exercise Medicine State of the Field Address by Alison Cernich, PhD

Registration requested

March 20 | 12-3:45pm | Wallace Tumor Institute 101

CCTS Friday Fellows Meeting

March 22 | 8-9:30am | PCAMS | Zoom Available

Informatics Institute Powertalk Seminar Series: Strategies to Study Rare Diseases with "Big Data"

March 22 | 10:15-11:30am | Shelby 515 | Zoom Available

CCTS Drug Discovery Seminar Series: Molecular Modeling

March 25 | 12-1pm | PCAMS | Zoom Available

CCTS Friday Fellows Meeting

March 29 | 8-9:30am | PCAMS | Zoom Available

APRIL

UAB Mentoring Week

April 1-5 | UAB

Accessing Clinical Data for Research with i2b2

Registration required

April 4 | 1-3pm | LRC 210A

CCTS Friday Fellows Meeting

April 5 | 8-9:30am | PCAMS | Zoom Available

**National Association of Advocates for Women in Science (AAWSM) 2019
Regional Conference**

Registration required by March 21

April 5-6 | New Orleans

CCTS Drug Discovery Seminar Series: Preclinical Toxicology

April 8 | 12-1pm | PCAMS | Zoom Available
