Last Opportunity to Register!

Join us for the 2nd Annual CCTS Translational Training Symposium!

Don't miss this important opportunity for experiential training and career development sessions on translational and design thinking, grant writing, clinical trials, community engagement, funding opportunities and much more. ***Registration closes Friday, November 1st, so click here to register today!***

Since January 2019, we have added numerous new learning opportunities to the CCTS YouTube channel. There is a video for everyone, including skill-building talks on accessing clinical data, writing grants, and presenting your science; topical overviews on community engaged research, personalized medicine, biomedical business development, biostatistics, bioethics, and regulatory issues; and recordings of our investigators and trainees sharing their latest scientific discoveries. Train at your own pace and on your own schedule! [Learn more](#)

Funding Opps. & Deadlines

CCTS Translational Training Symposium

Register by Friday, November 1

Clinical and Translational Science Training Program (CTSTP)

Apply by Monday, November 4

Predocloral Clinical/Translational Research Program (TL1)

Apply by Sunday, December 1

Strategies to Improve Health Outcomes and to Reduce Disparities in Rural Populations (R01 Clinical Trial Optional)

Apply by Friday, December 13

Ethical Issues in Translational Science Research (R01 Clinical Trial Optional)

Letter of Intent Due Monday, January 6

Doris Duke Charitable Foundation 2020 Physician Science Fellowship

Apply by Tuesday, January 7

More Funding Opportunities

Lectures & Learning

CLINICAL TRIALS INITIATIVE

Clinical Trials Initiative Town Hall Meetings

Calling all clinical research teams – faculty and staff alike – to participate in a town hall discussion on the tools, resources and best practices for the financial management of clinical trials.

Oct. 28 | 7:30am | WTI,101
Oct. 28 | 5:00pm | FOT,1101
Nov. 6 | 4:00pm | PCAMS

Case Studies in Mentoring: Promoting Professional Development

Bring your questions and concerns and join us as we explore the nuances of the mentor-mentee relationship. Our case-based discussions help participants discover new strategies to maximize the benefits of this career-enhancing skill. Open to investigators at any level from across the CCTS Partner Network. Registration requested, walk-ins welcome.

Oct. 30 | 11am-12pm | PCAMS | Zoom Available

FRIDAY FELLOWS

Friday Fellows

This meeting provides the opportunity for T32 pre and post docs, investigators, and others interested in population and health outcomes research to discuss best practices in a supportive "discipline agnostic" environment. Meet other researchers and have FUN!

Nov. 1 | 8-9:30am | PCAMS | Zoom Available
[Add To Calendar](#)

Bioinformatics Powertalk Seminar

Sue Feldman, RN, MeD, PhD, will present "A Design Science Approach to Community-Based Participatory Research: An Information System for Certified Peer Specialists in Opioid Use Disorder."

Nov. 1 | 10:15-11:30AM | SHEL,105 | Zoom Available
