

CCTS Interdisciplinary Network Pilot Program

Previous CCTS Network Pilot Awardees*

PURPOSE

Through the CCTS Pilot Program, we seek to develop the future translational research workforce in a spirit that fosters collaboration, team science, and innovative discovery. Early Stage Investigators are strongly encouraged to apply.

AWARD

Applicants may apply for up to \$60,000 in Direct Costs, with the CCTS Hub committing up to half.

PROPOSALS

Projects should align with the CCTS mission and address health conditions that disproportionately affect the Deep South. For special considerations and application instructions, please see the 2020 Request for Applications.
