Request for Applications
Pre-Doctoral Clinical / Translational Research (CCTS TL1 Program)
Option for MS/MSPH Degree

Full-time mentored research training experience with stipend

This mentored research training program is currently accepting applications from doctoral students in health-related profession programs. The mission of the Center for Clinical and Translational Science (CCTS) is to address disparities and/or diseases disproportionally represented in the Deep South.

Full-time doctoral students at CCTS partner institutions seeking an MD, PhD, DDS, DMD, DVM, and dual-degrees are invited to apply. This includes students in the following health-related professional programs:

- Medicine
- Bioengineering
- Nursing
- Pharmacy
- Clinical Psychology/Psychiatry
- Public Health/Epidemiology
- Optometry/Ophthalmology
- Physical Therapy/Rehab Medicine
- Biomedical Sciences
- Informatics

In addition to actively engaging in a 12-month mentored research experience, trainees will:

- Experience dynamic learning with multi-disciplinary peers of excellence
- Have access to pool of 30+ experienced mentors
- Benefit from career-enriching training
- Gain exposure to epidemiological & statistical methodologies

This one-year fellowship offers:

- **NRSA stipend (currently $26,352)** for full-time multidisciplinary mentored research training
- **$1,500 Travel support** for ACTS national meeting
- **Up to $16,000 tuition support** towards Master’s degree/certificate/coursework
- **Training-related expenses** available to support health insurance & research related costs

**ELIGIBILITY:** Candidates must be U.S. citizens or have permanent residency status. Eligible applicants will be full-time doctoral students in the CCTS Partner Network that will have completed the first two years of their doctoral degree by July 2023. Candidates must be able to demonstrate a commitment to full-time research training.

**APPLICATION:** The following materials are required (submission as one PDF; see website below):

1. Current CV including GPA and relevant test scores (i.e.: GRE Scores V, Q, Adv and/or MCAT or PCAT Scores)
2. Official letter of good standing from current pre-doctoral program (usually comes from the local Registrar’s office)
3. Letters of recommendation (2), one optimally from a potential mentor
4. Three-page personal statement that addresses a) Reason for interest in translational research, b) Research experience to date, c) Goals for research training & career development including degree attainment proposed, d) Project plans for research year (see instructions on website), and e) How proposed project addresses health disparities/diseases that disproportionately affect the Deep South. Guidance can be found on the website below.

For assistance identifying co-mentors across the CCTS partner network, please contact Jeanne (contact below).

**SUBMISSION OF MATERIALS:** The interested applicant will submit their application online: https://www.uab.edu/ccts/training-academy/research-fellowships/tl1

Application materials are due by December 15, 2022.

**CONTACT:** For questions regarding eligibility, program requirements, and the application process, please contact Jeanne Merchant (jsmerchant@uabmc.edu or 205.492.9744).
