Deadline Extended* to apply to the Predoctoral Clinical/Translational Research Program (TL1)

This mentored research experience provides the tools and expertise to thrive as investigators in any setting (e.g., academic medicine, government, pharma). This immersive program provides 12 months of protected time for trainees to develop projects focused on reducing health disparities and/or diseases that disproportionately affect the Deep South. The program provides a stipend and support for tuition, among other benefits.

UPCOMING EVENTS

**Appts Available for the New Year, Beginning Jan. 4, 2021**
Drop-In Clinic: Biostats, Epidemiology, & Research Design (BERD)

Prepare your study-related questions for this online opportunity. By appointment only.
Email for Details
