Get to Know the 2022 CCTS Bioethics Forum Panelists

The 2022 CCTS Bioethics Forum: Translational Science and the March to Health Equity, is happening this Friday, February 18th from 11-1pm via Zoom. This year’s Forum will offer discussion on the topic of systemic racism with a goal to express the most effective measures to combat or mitigate the issues of health inequity in translational research. The panel of speakers represent diverse backgrounds and experiences that will enrich the discussion.
