March 28, 2022

Announcing the 2022 CCTS TL1 Predoctoral Trainees

We are thrilled to announce the newest cohort of CCTS TL1 Trainees, beginning this year of research-training to develop projects focused on reducing health disparities and/or diseases that disproportionately affect the Deep South.

We appreciate all the incredible individuals who applied for this opportunity, and look forward to sharing more about the 2022 cohort in future Digest issues.
