CCTS DIGEST

Center for Clinical and Translational Science

The latest clinical and translational science news, events, and funding opportunities for the CCTS Partner Network

The research playing field looks quite different these days and is evolving quickly; here is what you should know as it currently exists.

Lectures & Learning

The CCTS will continue connecting during this time of social distancing by providing access to online meetings and alternative learning opportunities. Please check the CCTS Upcoming Events page frequently as changes to scheduling and format are still in development.
CCTS virtual events often utilize Zoom. If you have any questions about how to launch a meeting using Zoom, please contact CCTS Director of Distance Learning, Brian Wallace.
