CCTS BERD Consultations New & Improved!

The BERD team has created an easier way to bring your statistical and methodological questions to the experts using a new consultation form that takes only one minute to complete! The form is **now required for all consultation requests** to ensure your time with the BERD team is efficient and effective.

Sweet Learning Opportunity: Health Disparities LHS Courses

This 45-minute video course will raise your awareness of health disparities. The topics were developed by UAB experts and include:

- A health disparities overview (Dr. Raegan Durant)
- Role of place in health (Dr. Gabriela Oates)
- Role of bias in affecting providers' thoughts/attitudes/decision-making (Dr. Latesha Elopore)
- Anti-racism framework (Dr. Tina Simpson)

CCTS wants to encourage participation by offering a holiday pie to one lucky winner who completes the course by Dec. 9, 2022. Accessing the course is easy as pie. Log in to the [UAB Medicine Learning System](#), select the catalog tab and enter "Health Disparities Academy" in the search field. **Email your certificate of completion to ccts@uab.edu by Dec. 9 to be entered to win. CCTS Partners are encouraged to participate by emailing details of a similar learning pursuit.**
