Reviewing COVID-19 Literature: Health Disparities

We've added a new tab on the CCTS COVID-19 Enterprise Research Initiative webpage to aid in literature review of COVID-19 and related topics. These resources include several articles specific to COVID-19 **health disparities**, as well as links to major journals' curated COVID-19 news feeds to expedite your search.

Could the CCTS Voucher Program Help You?

The CCTS Research Voucher Program provides up to \$5,000 of direct research support to investigators throughout the Partner Network to accelerate discovery and to overcome barriers to research. These vouchers are intended for active research efforts that are ready to use these resources immediately.

Lectures & Learning

The CCTS will continue connecting during this time of social distancing by providing access to online meetings and alternative learning opportunities. Please check the [CCTS Upcoming Events](#) page frequently for the most up-to-date event information.

CCTS virtual events often utilize [Zoom](#) and **are password protected**. If you have any questions about how to launch a meeting using Zoom or how to access a meeting, please contact CCTS Director of Distance Learning, [Brian Wallace](#).

CCTS Spotlight

Adil Bashir, PhD

Associate Professor, Auburn University

Dr. Bashir is an excellent collaborator and his knowledge of magnetic resonance imaging and magnetic resonance spectroscopy is a tremendous asset to the CCTS Partner Network.

-Thomas Denney, PhD, CCTS Site Lead, Auburn University
