**Budget (For most up-to-date guidance, consult your assigned OSP officer)**

- Each budget line item has been documented and justified in the budget justification.
- Any compensation for senior personnel in excess of two months has been disclosed in the proposal budget and justified in the budget justification.
- Contracts for the purpose of obtaining goods and services for the proposer’s own use have been identified on Line G6 of the proposal budget, when applicable.
- The amount for indirect costs was calculated by applying the current negotiated indirect cost rate(s) to the approved base(s) and the amount has been specified in the budget justification.
- Each budget justification does not exceed five pages or the page limitation specified in a specific program solicitation. For proposals that contain a subaward(s), each subaward includes a separate budget justification that does not exceed five pages.
- Absolutely no cost share unless required by solicitation

**Budget Justification Template**

- 5 page limit for each institution

**Biographical Sketch Template FAQs**

- A separate biographical sketch has been prepared through use of an NSF-approved format and provided for each individual identified as senior personnel.
- Each biographical sketch must not exceed two pages.
- The content described is in accordance with the instructions, and does not contain additional information beyond that specified.
• A list, in reverse chronological order by start date of all of the individual’s academic, professional, or institutional appointments, beginning with the current appointment, has been provided for each individual.

• A list of: (i) up to five products most closely related to the proposed project; and (ii) up to five other significant products, whether or not related to the proposed project has been provided. Each product includes the full citation information including (where applicable and practicable) names of all authors, date of publication or release, title, title of enclosing work such as journal or book, volume, issue, pages, website and URL, or other Persistent Identifier.

• A list of up to five distinct examples that demonstrate the broader impact of the individual’s professional and scholarly activities that focus on the integration and transfer of knowledge as well as its creation has been provided. The synergistic activities provided are specific and do not include multiple examples to further describe the activity.

**Current and Pending Support**

- A separate current and pending support document has been prepared through use of an NSF-approved format and provided for each individual identified as senior personnel. The pdf file(s) has been uploaded into FastLane, Research.gov or Grants.gov.
- All resources made available to the individual in support of and/or related to all of his/her research efforts, regardless of whether or not they have monetary value, have been reported.
- In-kind contributions not intended for use on the project/proposal being proposed have been reported, if applicable.
- Current and pending support information has been provided for this project, for ongoing projects, and for any proposals currently under consideration from whatever source, irrespective of whether such support has been provided through the proposing organization or is provided directly to the individual.
- The total award amount for the entire award period covered (including indirect costs) has been provided, as well as the number of person-months (or partial person-months) per year to be devoted to the project by the individual.
- If the project (or any part of the project) now being submitted has been funded previously by a source other than NSF, information has been provided regarding the last period of funding.
- Information on this proposal is included.

**Facilities, Equipment and Other Resources**

- An aggregated description of the internal and external resources (both physical and personnel) that the organization and its collaborators will provide to the project, should it be funded, has been included.
- Current and pending support provided as in-kind contributions to the project (such as office/laboratory space, equipment, supplies, employees, students) has been identified, where applicable.
- No quantifiable financial information has been provided.
• If there are no facilities, equipment or other resources identified, a statement to that effect has been included in this section of the proposal.
