UAB Bioinformatics SUPPORT FOR THE COLLECTION, MANAGEMENT, AND ANALYSIS OF BIOMEDICAL DATA

MICROBIOME

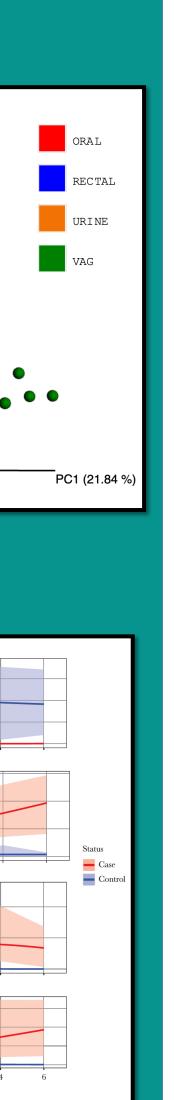

MICROBIAL EVOLUTION

CENTER FOR CLINICAL AND TRANSLATIONAL SCIENCE

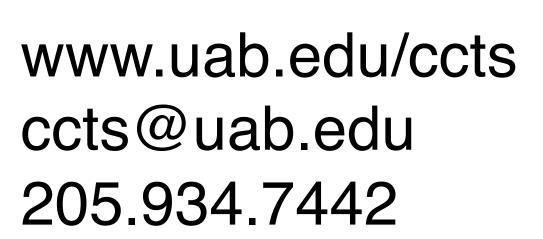

Assisting you in understanding the biological meaning of your data, allowing you to use that understanding to support publications, grants, and future research.

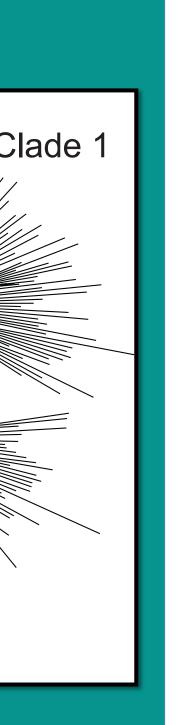

SERVICES

- Informatics Gateway Study design, project development **Consultation and collaboration** \bullet • Grants, manuscripts Data management • • In partnership with UBRIE http://ubrite.informatics.uab.edu/ Data analysis Education and training \bullet BS, MS, and PhD Programs in Bioinformatics • Courses, workshops, seminars • Training to allow you to do the work **Computational resources**
 - Software tools, pipelines

 - In partnership with
 - **UAB Research Computing**

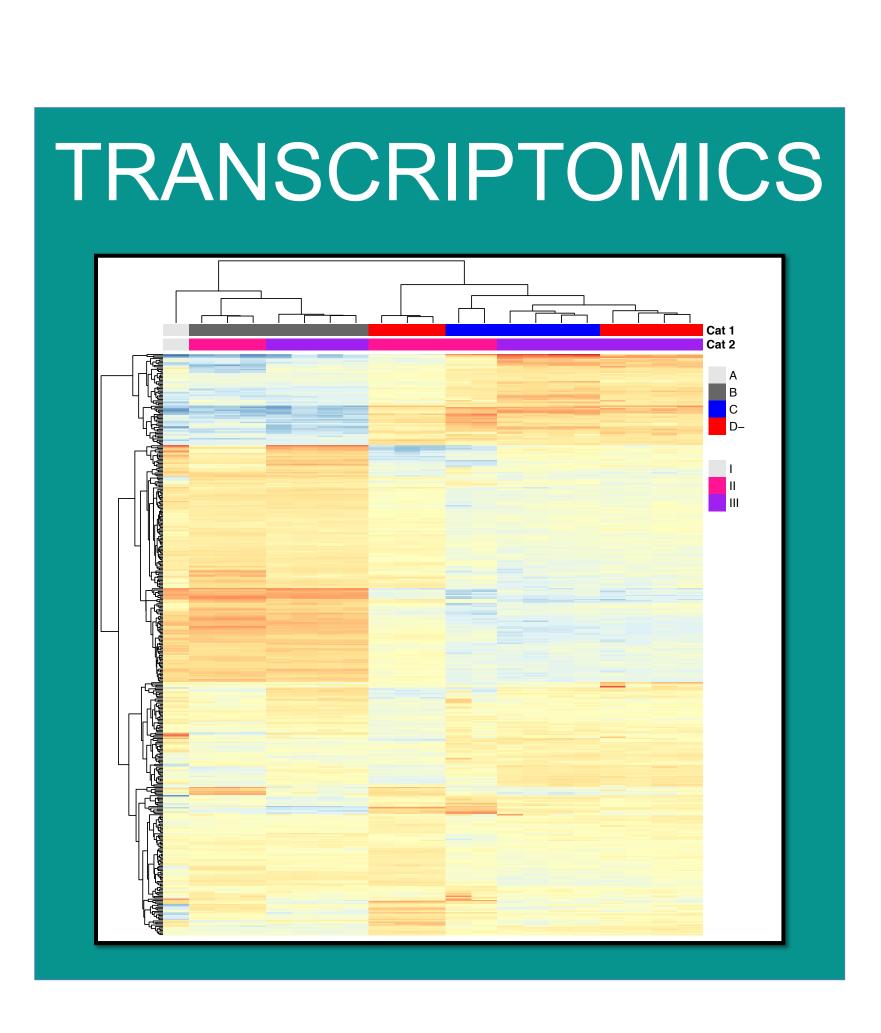

High-performance computing

INFORMATICS

HOW TO GET STARTED

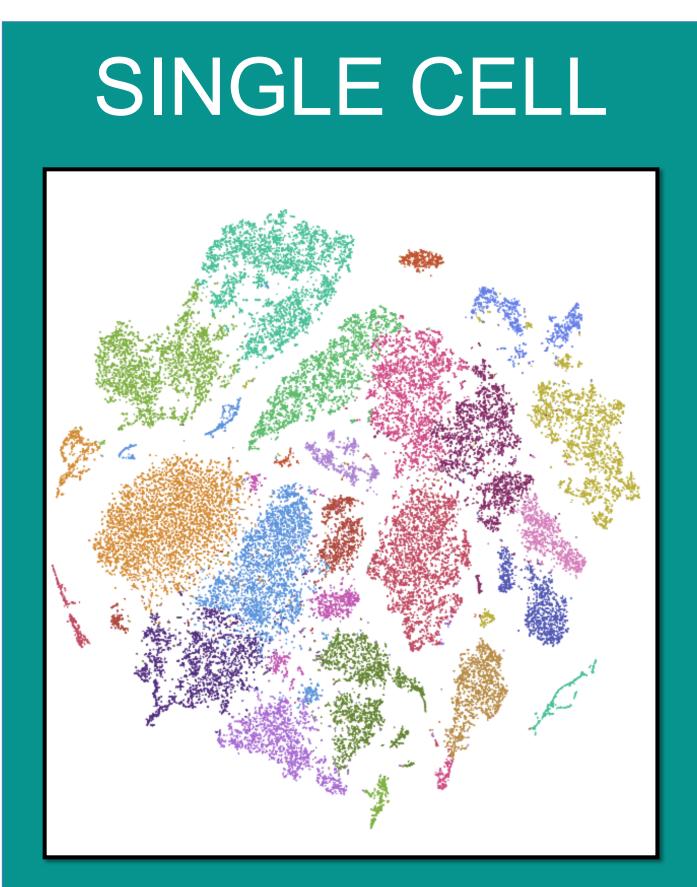

CCTS Bioinformatics Elliot Lefkowitz, PhD elliotl@uab.edu 934-1946

CCTS Informatics Gateway Jennifer Croker, PhD jcroker@uab.edu 934-7442
