## Fall 2015 Research Training Program Agenda

SESSION 1, TUESDAY, OCTOBER 6, 2015	
7:45 am - 8:15 am	Sign-In - Refreshments provided, course materials distributed
8:15 am - 8:25 am	Introduction Welcome and overview of the six session course.
8:25 am - 8:45 am	Pretest A brief pre-test will be given to assist with evaluation of the program and the ability for the training program objectives.
8:45 am - 9:00 am	Housekeeping General overview and explanation of notebook/binder. Penelope Jester, BSN, MPH, CCRC, Program Director III, UAB Pediatric Infectious Disease
9:00 am - 9:15 am	Good Clinical Practices: An Overview Objective 1 - GCPs and federal regulations - what GCPs are and how they are used in research. Penelope Jester, BSN, MPH, CCRC, Program Director III, UAB Pediatric Infectious Disease
9:15 am - 9:30 am	BREAK - Refreshments provided.
9:30 am - 10:30 am	History and Ethics of Research Objective 2 - Summary of current regulations that impact the implementation of clinical research including the role of IRBs. Sheila Moore, BS, VISTAR, Inc. and Research Service, Birmingham VA Medical Center
10:30 am - 11:30 am	The IRB Process Objective 3 - IRB submission errors, documenting the consent process, enrolling children and obtaining signatures. Nancy Stansfield, RN, MSN, CCRC, CIP, Assistant Director, UAB Institutional Review Board

#### Fall 2015 Research Training Program Agenda

SESSION 2, TUESDAY, OCTOBER 13, 2015	
7:45 am – 8:00 am	Sign-In – Refreshments provided.
8:00 am - 9:00 am	Understanding the Protocol Objective 1 - How to use the protocol as a resource; how the protocol can provide guidance to implement a study; and understanding the relationship of the Manual of Procedures to the protocol; and the requirement for adherence to the protocol. Penelope Jester, BSN, MPH, CCRC, Program Director III, UAB Pediatric Infectious Disease
9:00 am – 10:00 am	The Informed Consent Objective 2 - Overview of the informed consent purpose, development and implementation. Tiffany Grimes, RN, Research Nurse Coordinator, UAB Center for Clinical and Translational Science
10:00 am – 10:15 am	BREAK - Refreshments provided
10:15 am - 11:15 am	Recruitment and Retention Objective 3 - Basic elements needed for successful recruitment and retention of study subjects. Joseph H. Richardson, RN, CCRC, Research Nurse Supervisor, UAB Surgical Oncology
11:15 am-12:00pm	Regulatory Document Management Objective 4- Overview of essential documents required to conduct a clinical trial and introduction to the sources requiring regulatory documents. Susan Branscum, CCRP, Regulatory Administrator, UAB Pediatric Infectious Disease

# Fall 2015 CCTS Research Training Program Agenda

SESSION 3, TUESDAY, OCTOBER 20, 2015	
7:45 am - 8:00 am	Sign-In – Refreshments provided.
8:00am-8:45 am	UAB Enterprise Code of Conduct Objective 1 - Recognize standards of behavior required of UAB employees, especially as related to the conduct of clinical research, and discuss resources available to support compliance.  Katie Crenshaw, JD, MSEd, University Compliance Coordinator, University Compliance Office
8:45 am - 9:15 am	UAB Clinical Trials Office (CTO) Clinical Billing Review Objective 2 - Mission and objectives of the CBR, FAP/SiteMinder implementation update. Dawn Bryant Matthews, BS, CCRC, CPC, Clinical Trials Billing Officer, UAB Clinical Billing Review
9:15am-10:00 am	Overview of Office of Sponsored Programs Processes Objective 3 - Review and negotiation of industry agreements. Bonita Stokes, UAB Office of Sponsored Programs
10:00 am – 10:10 am	BREAK - Refreshments provided
10:10 am-10:50am	Creating Budgets – The Basics Objective 4 - The basics of creating a site specific study budget: what you should know. Tina Ayer, BS, CCRP, Program Manager, UAB Nephrology Transplant Clinical Research
10:50 am-11: 20am	Integrated Research Administration Portal (IRAP) Overview Objective 5 – Using IRAP to help manage clinical trials Carolyn P. Whitmire, MBA, CHRC, Director, Research Implementation Program, Office of VP Research and Economic Development
11:20 am - 11:50 am	Conflict of Interest Objective 6 - Basic understanding of the importance and concepts behind conflict of interest. Brenda Cox, MBA, Associate Director, UAB Office Conflict of Interest Review Board

# Fall 2015 CCTS Research Training Program Agenda

SESSION 4, TUESDAY, OCTOBER 27, 2015	
7:45 am – 8:00 am	Sign-In – Refreshments provided.
8:00 am - 9:00 am	Managing a Study Objective 1 - Key elements in preparing for a new study, basic principles of managing a study and discussion on study roles. Bari Cotton, RN, BS, MA, Research Nurse Coordinator, UAB Pediatric Infectious Disease
9:00am - 10:00 am	Quality Control / Quality Assurance and Management of CRFs and Source Documents Objective 2 - Overview on understanding and preparing for internal compliance and internal monitoring and understanding of source documents and CRF completion. Karen Savage, BSN, CCRC, Program Director III, UAB Infectious Disease
10:00 am – 10:15 am	BREAK - Refreshments provided
10:15 am – 11: 00 am	Understanding HIPAA Objective 3 - Basic understanding of HIPAA. Terri Alexander, Legal Counsel, UAB Office of Counsel
11:00 am – 12:00 pm	Health Behavior Research Objective 4 - Basic understanding of the study of the determinants and outcomes of actions that affect health. Kathy Harrington, MPH, PhD, Associate Professor, UAB Pulmonology/Behavior Change

### Fall 2015 Research Training Program Agenda

SESSION 5, TUESDAY, NOVEMBER 3, 2015		
7:45 am – 8:00 am	Sign-In – Refreshments provided	
8:00 am - 9:00 am	The Key to Data Management Objective 1 - An explanation of statistical measures and the importance of recruiting the correct sample of research subjects. David Redden, PhD, Professor, UAB Biostatistics	
9:00am - 10:30 am	Serious Adverse Event Reporting (Includes Hands-on Exercises) Objective 2 - Familiarization of the importance of SAEs and general principles of reporting SAEs. Cynthia Joiner, PhD, MPH, MSN, RN, Instructor, UAB Cardiovascular Disease	
10:30 am - 10:45 am	BREAK - Refreshments provided	
10:45 am – 11:45 am	Device Studies Objective 3 - Differentiate between pharmacological studies and device studies. Cynthia Joiner, PhD, MPH, MSN, RN, Instructor, UAB Cardiovascular Disease	

# Fall 2015 CCTS Research Training Program Agenda

SESSION 6, TUESDAY, NOVEMBER 10, 2015	
7:45 am – 8:00 am	Sign-In – Refreshments provided
8:00 am – 8:45 am	Closing a Study Objective 1 - Reasons for study closure and the key elements of study closure. Jolene Lewis, RN, Nurse Manager, Medical Nursing
8:45 am – 9:30 am	Drug Accountability Objective 2– Overview of the drug accountability process. Brenda Denson, PharmD, Investigational Studies Pharmacist / Pharmacy Educator, Children's of Alabama
9:30 am – 9:45 am	Specimen Management Objective 3 – Overview of specimen management. Lauren Tarpley, Research Specialist, UAB CCTS Clinical Research Unit (CRU)
9:45 am-10:00 am	BREAK - Refreshments provided
10:00 am – 10:20 am	Specimen Handling Objective 4 – Brief Overview of Human Specimen Handling and OSHA Donna Williamson, Research Safety Committee, Office of the Assistant Vice President for Occupational Health and Safety
10:20am – 11:20 am	Monitoring Visits and Audits Objective 5 - Overview on understanding and preparing for a monitor visit and audit. Meredith Fitz-Gerald, MSN, RN, BSN, Nurse Research Manager, UAB Center for Clinical and Translational Science
11:20am-11:35 am	ClinicalTrials.gov Objective 6- Overview of clinical trial registration Penelope Jester, BSN, MPH, CCRC, Program Director III, Pediatric Infectious Disease
11:35 am – 11:50 am	Post Test A brief post test will be given to assist with evaluation of the program and the ability for the training program objectives.
11:50 am – 12:00pm	Closing Remarks A summary of the week's presentations and review of resources for future learning and to assist in protocol implementation.

#### Fall 2015 CCT Research Training Program Agenda

SESSION 6, TUESDAY, NOVEMBER 17, 2015	
7:45 am – 8:00 am	Sign-In – Refreshments provided
8:00 am - 9:00 am	Breakout Session Objective 1 – Understanding how to work better together as a team. Anthony Patterson, PhD Assistant Professor, Department of Management, Informatics Systems, and Quantitative Methods, Collat School of Business
9:00 am-9:15 am	BREAK - Refreshments provided
9:15 am – 10:15 am	Final Remarks Penelope Jester, BSN, MPH, CCRC, Program Director III, Pediatric Infectious Disease
