

# Are You Our Next CCTS TL1 Trainee?

## Broaden Your Career Options with a Full-time CCTS Mentored Research Training Experience!

Are you a predoctoral student finishing your second year in a health-related professions program (MD, PhD, PharmD, DDS, DMD, DVM, etc.)? If so, you may wish to apply for the [CCTS Predoctoral Clinical/Translational Research \(TL1\) Program](#), a mentored research experience that provides the curious and creative with the tools and expertise to thrive as investigators in any setting.

### Benefits

- \$24,816 NIH National Research Service Award (NRSA) stipend for full-time multidisciplinary mentored research training
- \$1500 travel support to attend the ACTS national meeting
- Up to \$16,000 tuition support towards a Master's degree/coursework or to complete a certificate program such as the CCTS Clinical and Translational Science Training Program
- Provides 12 months of protected time for fellows to develop projects focused on reducing health disparities and/or diseases that disproportionately affect the Deep South
- Support for health insurance and research training related expenses
- Dynamic learning with multidisciplinary peers of excellence
- Access to a pool of 30+ experienced mentors
- Exposure to epidemiological and statistical methodologies
- Career broadening networking and learning opportunities

### How to Apply

Submit an application by **Sunday, December 1, 2019**. For complete application instructions and to see our current and past TL1 trainees, visit [www.uab.edu/ccts/tl1](http://www.uab.edu/ccts/tl1). This program is open to eligible CCTS Partner institutions.

**Questions?** Contact Jeanne Merchant ([jsmerchant@uabmc.edu](mailto:jsmerchant@uabmc.edu) or 205-996-9672) or Jeff Foster ([pjfoster@uabmc.edu](mailto:pjfoster@uabmc.edu) or 205-996-6086).

**“The TL1 program has been life changing for me.”**  
– Kathrin Zimmerman, UAB, TL1 class of 2017-2018
