

COMMUNITY ENGAGEMENT INSTITUTE (CEI) PERSPECTIVES

Collaborative Approaches to Building Trust in Communities

Join the Center for Clinical and Translational Science (CCTS) Community Engagement Institute (CEI) for an insightful discussion on building community trust through collaboration. This event will focus on engaging stakeholders, sharing information, ensuring transparency, and fostering effective communication. Our expert panelists will share valuable resources and strategies to help you enhance trust within communities.

EVENT MODERATOR

Kimberly Randall, MA
Manager, Lister Hill Center
for Health Policy

Designed for researchers, healthcare professionals, and community members, this event aims to raise awareness and provide education on the importance of trust in achieving better health outcomes. Don't miss this opportunity to gain insights and tools to build stronger, more trusting relationships within your community.
