Dissemination | Implementation | Translation | Innovation

The Center for Clinical and Translational Science (CCTS) Presents:

The Implementation Science Toolkit: What's Available and How to Use It

**Tuesday, August 18, 2026
12-1 PM (CT), via Zoom**

Join us for CCTS Expeditions Forum, a monthly series highlighting how dissemination and implementation science is applied across clinical, community, and public health settings. Sessions feature insightful presentations from leading experts across the CCTS Partner Network.

Presented by:

- **Ria Hearld, PhD** (University of Alabama at Birmingham)
- **Sara Davis, PhD, RN, PCNS-BC** (University of South Alabama)
