Computer Science and Engineering

2017

For Rising High
School Freshmen
Beginning June 5

Application Deadline:
May 26, 2017

Computer Science

**Dates: June 5—9
June 19 —23**

Spend the week exploring the basics of Computer Science

- ♦ Learn how computers process and store data.
- ♦ Learn about encryption and computer security.
- ♦ Gain improved critical thinking and math skills.
- ♦ Build a strong foundation for learning programming and computer engineering.

The program utilizes a modified version of CSUNPLUGGED

Computer and Electrical Engineering

**Dates: June 12—16
June 26—30**

Learn how to build design and create circuits and programs!

- ♦ Learn basic and advanced programming concepts.
- ♦ Learn how to layout and design circuits using Arduinos.
- ♦ Gain the skills needed to change the world around you.
- ♦ Build a strong foundation for learning programming, computer engineering and electrical engineering.
- ♦ Learn to use open source software and hardware to expand your world

Requirements

Must be entering the 9th grade in fall of 2017

Complete and submit the attached Application. Include \$50 application fee (make Check payable to UAB-CORD) by **5pm May 26, 2017**

Please select the camps and week(s) you would like to attend:

Computer Science

_____ June 5 —9
_____ June 19 — 23

Computer and Electrical Engineering

_____ June 12 — 16
_____ June 26 — 30
