SCIENCE EXPLORATIONS

Entering 5th Graders
Camp 5 - 1

Dates: July 13-17

Spend a week learning the basics of scientific investigation and exploring the science lab.

- Enjoy hands-on experiments while learning about matter and physical vs. chemical changes.
- Discover how to use different types of microscopes.
- Use the scientific method to collect data and do fun experiments.
- Learn about pH scale and how to create chemical reactions using household chemicals.

HUMAN BODY BASICS

Entering 5th Graders
Camp 5 - 2

Dates: July 20 - 24

Explore each of the 5 sense and how your brain works to allow you to see, hear, taste, touch, and smell.

- Learn about the different lobes of the brain.
- Understand the anatomy and physiology of each of the sense organs.
- Discover how energy is transferred and different kinds of energy, including the energy that flows through your body,
- Participate in facilitator led dissections in the lab.

OVER THE HILLS AND THROUGH THE VALES

Entering 6th Graders
Camp 6 - 1

Dates: June 1—5
June 15—19
July 6—10

An outside Camp that will explore a forest to learn how changes in its plants and animals may affect your health. Three sessions offered.

- Collect and analyze data about the forest, its plants, reptiles, amphibians, and mammals.
- Use computers to mathematically analyze the data you collect and graphically present it to your fellow campers.
- Learn about pollution, tolerance, dominance and species diversity.
- Discover the processes of adaptation and natural selection that aid survival.

ENVIRONMENTAL ENGINEERING AND YOUR HEALTH

Entering 6th Graders
Camp 6 - 2

Dates: June 8—12
June 22—26
July 13—17

Be an environmental engineer for a week in this outdoor Camp. Three sessions offered.

- Use high-tech instruments to monitor air and water quality, temperature and humidity changes.
- Learn to analyze your data and develop a presentation to communicate your results.
- Gain insight into the relationship between the environment and human health.
- Understand the environmental conditions that relate to your health.
