CORD 2022

RISING 4TH AND 5TH GRADE SUMMER CAMP

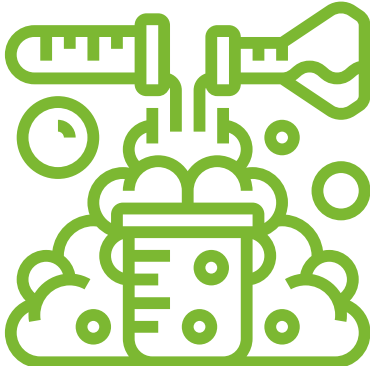

UAB Center for Community
Outreach Development

CAMP ONE: SCIENCE EXPLORATION

July 11-15

- A week of hands-on and fun activities about chemical and physical changes.
- Discover how to create chemical reactions using household items.
- Learn about the different forms of energy in the world around you.
- Use cool science equipment to collect data on heat, electricity, and light.

CAMP TWO: HUMAN BODY BASICS

July 18-22

- A week of learning about the body and how to keep it healthy.
- Understand how the heart, lungs, brain, and kidneys do their important work.
- Discover the effects of exercise on the cardiovascular system.
- Learn how diet and nutrition affect the digestive system.
- Put your nervous system to the test by collecting data on your 5 senses and reflexes.

Daily camp hours are
9:00 a.m.— 4:00 p.m.

Camp Counselors are on duty beginning at 7:45 a.m. in the lobby of CHSB 19 (933-19th Street South) for early drop-off.

All children are required to bring a lunch daily.

**This science camp is geared for
Rising 4th and 5th Graders.**

- Tuition for the first week is \$175 and \$75 for second week.

A non-refundable deposit of \$50 per camp is required with application and will be applied toward total cost of tuition.

Absolutely No tuition refunds.
Credit cards are not accepted.

**Need help paying? A limited number of
scholarships are available for
underrepresented students.**

**All children will receive a
Notification of Acceptance.**

- All forms are required prior to participation.
