

CCTS Research Commons

Center for Clinical and Translational Science

CCTS

CCTS Research Commons connects investigators to translational expertise and platforms that accelerate the pace of discovery, thereby improving health and healthcare access in our region.

Expertise

Sharpen research plans through a community of scholarship.

Panels

Engage a community of scholarship powered by the CCTS Partner Network

- Panel Done Quickly
- Nascent Project Panel
- innovation Panel (iPanel)

BERD

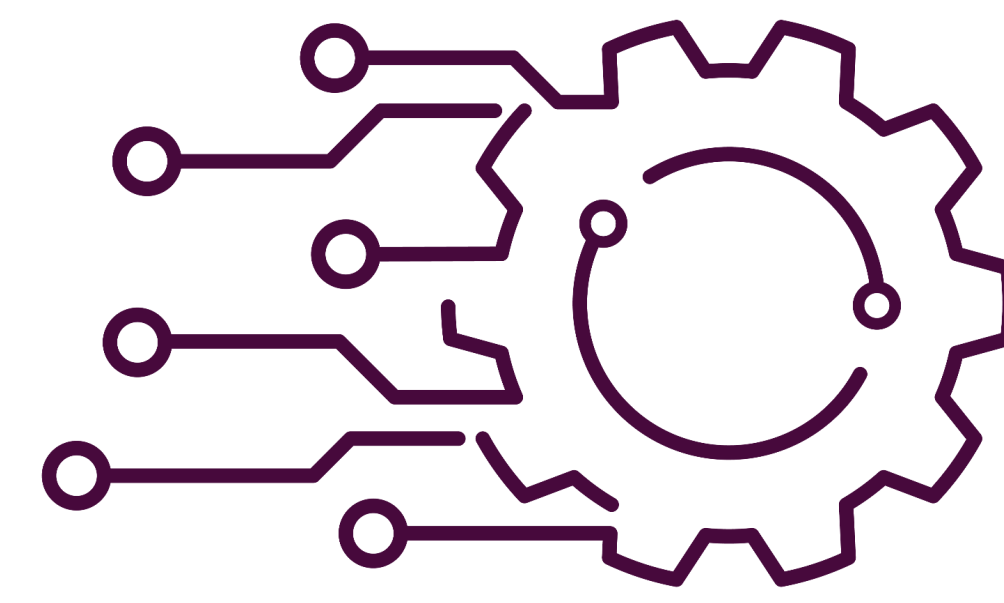

Pairing methodologists, epidemiologists and biostatisticians with investigators to enable rigorous study design in clinical and translational research.

Office Hours and Clinics

Engage informatic, social determinant, regulatory, clinical trial management expertise during coordinated office hours

CCTS Media Channel

Curated CCTS Training Academy, Engagement of Communities and Clinical Research seminars made available for asynchronous learning

Capacities

Resources that accelerate the pace of discovery

Partnerships

CCTS Partner Network

- Crossing institutional boundaries to improve health and healthcare delivery

SE Health Alliance for Research (SHARe)

- Transformational research enterprise to conduct multisite studies in our region

Trial Innovation Network

- CTSA-level partnership designed to innovate the process of conducting clinical trials

Engagement of Communities

- Community Scientific Action Board

Clinical Trials Initiative

Clinical Research Support Program (CRSP)

- Research nurses and coordinators
- IND/IDE Assistance
- ClinicalTrials.gov Guidance

OnCore clinical trials management

GreenPhire Participant Payment System

Clinical Research Capacities

- Clinical Research Unit
- Child Health Research Unit
- Specimen Processing & Biorepository
- Bionutrition Unit

Clinical Informatics

Providing access and digital platforms to enable the use of local, regional and national clinical informatic resources (i2b2, TriNetX, One Florida+, AHGI, All of Us, ENACT, N3C)

Funding Programs

CCTS Partner Network Pilot Program
CCTS Statistical and Analytical Methods
