

English Language Learner (ELL) – University Level Bibliography

This bibliography will be useful to college professors, instructors, and staff who need resources, tools, and guidance for teaching, counseling, and communicating with international students. In addition, listed are some practical guidebooks written for the international student. In this bibliography, books and audiovisual resources which are available at Sterne Library are hyperlinked to the catalog record. Book call numbers ending with “eb” indicate an electronic book; the link to the electronic resource will be found in the catalog record. Books without a hyperlink may be requested through [Interlibrary Loan](#). Each journal article and ERIC document listed is hyperlinked to its abstract. Search for the item in the ERIC database, and use the article linker to find the full text, if it is available. If not available, request it through [Interlibrary Loan](#).
