**Program Admission Requirements for Class AA Certification in Mathematics (6-12)**

Prospective students should NOT begin any coursework without first seeking advisement from the program faculty advisor (call 205-934-5371). Students who ignore this admonition assume responsibility for their own mistakes.

In addition to meeting the requirements for admission to the Graduate School, a candidate must meet requirements for unconditional admission to the Mathematics (6-12) Program. To be eligible for unconditional admission to this Class AA certification program, a candidate must hold a valid Alabama master's level professional educator certificate in Mathematics (6-12) (or else Class B in Mathematics (6-12) and Class A in ESOL (P-12)).

**Additional Courses:**

**Curriculum and Instruction:**
- EDC 707 Introduction to Teacher Leader 3
- EDC 711 Analysis and Evaluation of Teaching 3

**Research:**
- EPR 594 Intro to Qualitative Methods in Educational Research 3
- EPR 608 Statistical Methods & Action Research 3
- EHS 720 Individual Research in Education 3

**Elective:**
- One of the following courses
  - EPR 594 Introduction to Educational Research Design 3
  - 500+ level course in the teaching field 3
  - 600+ level course in education
e.g., ECT, ECY, EDC, EDF, EDR, EDT, EESL, EHS, EPR
- National Board Certification in Mathematics transferred in as EHS 680 National Board Certification 3

**ALSDE Requirements for Class AA Certification in Mathematics (6-12)**

Once a candidate has completed checklist requirements and has met all admission, exit, and certification requirements, the candidate will be eligible for Class AA certification in Mathematics (6-12). To be eligible for this certification, the candidate must:

- submit a completed application for certification during the last term of enrollment in the Class AA Mathematics (6-12) (and no later than 60 calendar months following completion of this degree program)
- successfully complete all courses on the Class AA program checklist, meet the criteria of UAB's Graduate School for completing the corresponding Educational Specialist degree program, earning an overall GPA of 3.50
- possess a valid Class A Professional Educator Certificate in the Mathematics (6-12) or Class B in Mathematics (6-12) and Class A in ESOL (P-12); and
- meet all requirements for the Alabama Educator Certification Assessment Program (AECAP)
