Elective: Advisor-approved education graduate course [3 hours] no Fall/Spr/Sum none

Elective:
a) If students did not take special education during their UG program in Alabama (before 1985), their elective must be ECY 600. Students with out-of-state UG degrees must usually take ECY 600. Upon being admitted to the MAEd/ESL with degree-seeking status, students receive an electronic copy of the SOE’s recommendation form. This form stipulates if they need to take a special education course. If so, they take ECY 600 as their elective.
b) If students have already taken ECY 300 or the equivalence, they may select any 3-hour graduate course in education as their elective. If recommended by course instructors, students must take an academic writing course (e.g., GRD 727).

Dual Certification (not online): Through an MAEd/ESL program of 42 credit hours, candidates may pursue two certifications simultaneously—ESL and either French or Spanish. To do so, they must first hold valid Class B certification from the ALSDE in either French or Spanish and have passed the Praxis in that field. Upon seeking admission, they must apply to a dual-certification option, either ESL/Spanish or ESL/French. Instead of an elective, dual certification students take 12 graduate credit hours in either French or Spanish and, also, EFL 611 Advanced Methods World Languages. EFL 611 is offered in spring of odd-numbered years.

Distance Delivery: Although the ESL courses are always taught online, the Spanish and French courses are taught face-to-face (F2F) and require physical presence. To facilitate access to F2F classes, dual-cert candidates should live within driving distance of UAB.

Students must take all courses on the ALSDE-approved MAE/ESL checklist: www.uab.edu/education/checklists
Under Graduate, click Master’s and scroll down to ESL. Then click on ESL cert., French/ESL, or Spanish/ESL

Courses must be taken in the 5-year period before graduation. Substitutions are not allowed.

Program Completion: 30 credit hours

Praxis #5362 ESOL (score of 155): before or during internship semester

NOTE: Teachers pursuing ALSDE’s Certification by Test (CBT) route in ESL are welcome to take courses as non-degree seeking students. However, all prerequisites for any given course must first be met.

**EESL 690 Internship in ESL, P-12**

Summer enrollment in EESL 690 for 3 credit hours

Prerequisites for starting the internship:
- Completed 7 of the following 8 courses (or be concurrently enrolled in the 7th course):
  - EESL 610, 612, 613, 615, 625, 630, 640, and 660.
- Passed (or be registered for) the ESOL Praxis #5362.

Internship Application:
- Due March 15th prior to summer of intended internship
- Submit to Dr. Josephine Prado, jprado@uab.edu

Internship Seminars – online (required as part of EESL 690)
- Interns MUST participate in these internship seminars. Full participation is obligatory.

Internship Teaching (required as part of EESL 690)
- Interns must teach ESL for 8 to 10 consecutive days at a UAB-affiliated summer program for ELs (usually in June or July and close to where a candidate lives). Teaching schedule will depend on the structure of a school district’s summer program. Failure to teach for 8–10 consecutive days at the designated summer program site will cause the internship to be postponed until the following summer. During these 8–10 days of teaching, each intern will be observed teaching three sheltered lessons, twice by a UAB supervisor and once by another intern. Each intern will also do one observation of a fellow intern teaching a sheltered lesson. Interns will document their internship teaching by preparing and submitting a sheltered internship portfolio.
Graduate French and Spanish courses are offered in Fall and Spring, weekly in the evenings (5:00-7:30 pm). These courses are always taught face-to-face and require physical presence. Dual-certification candidates should live close enough to drive to UAB’s campus. Graduate French and Spanish courses are not offered in summer. If candidates would like to progress more quickly than, they can consult with their advisor about taking French or Spanish courses at another institution and transferring them to UAB.

→ **EFL 611 Advanced World Language Methods** is offered on a 2-year rotation, in Spring of odd-numbered years.

Master of Arts in Education

Welcome to the Master of Arts in Education (MAEd) degree program in the Department of Curriculum and Instruction (C&I) in UAB’s School of Education (SOE). The first purpose of this master’s degree program is to guide educators in meeting the evolving needs of learners in today’s rapidly changing society. Their second purpose is to deliver cutting-edge instruction through a standards-based, inquiry-focused approach for preparing educators to use state-of-the-art instructional strategies. The third purpose is to ensure that a quality program is available to educators regardless of where they live.

Certification Checklist. go to https://www.uab.edu/education/home/graduate. Click on ESL to access current program checklist. Updated checklists were approved in 2022 and will soon be posted.

Location. The SOE is housed in the Education-Engineering Complex (EEC) at 1150 Tenth Avenue South. From this location, the SOE is close to two public elementary schools (Glen Iris and EPIC) and, also, within easy walking distance of street parking (free and metered).

Driving and Parking. https://www.uab.edu/education/home/about/location-directions-parking. If coming to campus, it is best to come with time to look for parking.

Candidate/Student. The words candidate and student are used in this packet. The word candidate refers to current and prospective students in the SOE. The word student usually refers to learners in instructional settings who are being taught by SOE candidates.

MAEd: The following information corresponds to UAB policies and procedures in effect on the date of this packet. For MAEd programs, this information also corresponds to codes and regulations mandated by the Alabama State Department of Education (ALSDE). Updated versions of this packet will take precedence over what is stated here. Such updates are usually in response to changes in ALSDE codes. The ALSDE periodically updates its codes to provide Alabama schools with educators prepared to meet the changing needs of today’s society. NOTE: If an updated program checklist offers more advantages to already-admitted students, candidates may request switching to the updated checklist.

Information and instructions are provided at this website: https://www.uab.edu/education/home/students/important-deadlines-for-current-students

SOE students must meet SOE deadlines and not the Graduate School’s.

If students have specific questions regarding certification, they should contact Ms. Tashara Walker twalkerer@uab.edu

The SOE recommends candidates to the ALSDE for **Class A Teacher Certification** in the targeted teaching field. After approving the recommendation, the ALSDE issues the certification. I am aware of the following:

1) Applicants should read and follow the stipulations in this information packet and keep themselves informed regarding any changes.

2) All regulations described in this information packet are valid only up until the date on this packet.

3) Policies are established by UAB and ALSDE, these policies are subject to change, and candidates must abide by all such changes.

4) Candidates must submit their admission applications to UAB’s Graduate School by the deadline. However, it is usually OK for exam scores to arrive a few days after the deadline.

5) When communicating with UAB faculty and staff by email, candidates should always use professional email etiquette, should fully identify themselves, and should also provide some background information.

6) After candidates have obtained a UAB email, they must check it frequently and always use it in official communication.

7) Candidates must take all of the education courses on their program checklist (no substitutions) and follow all procedures to earn a master’s degree from UAB and, for an MAEd, to earn Class A certification from the ALSDE.

8) If recommended by a course instructor or the program director, candidates must take GRD 727 Academic Writing.

9) Candidates must always demonstrate a high level of professional dispositions worthy of the teaching profession. Failure to do so will result in being exited by the SOE.

10) Candidates must maintain 3.25 GPA to progress from semester to semester and be eligible for a master’s degree and for Class A certification. The Graduate School exits candidates following the second semester of academic probation (lower than 3.0).

11) Candidates must confer with their SOE faculty advisor or with their program director whenever they have questions concerning their program. Advisors and program directors give advice but that they are not responsible for a candidate’s program or degree.

12) Candidates must submit an Application for Degree about 7 months before their anticipated graduation. Failure to do so may delay their graduation by a full semester.

13) Upon discontinuing studies for more than a year, candidates must follow program in effect upon re-entry.

14) Candidates must submit an Application for Certification to the Office of Student Services during their final semester. If this application is not submitted within 60 months of graduation, candidates lose their eligibility for Class A certification.

15) After the master’s degree has been posted on their transcript, candidates should submit a request to UAB for an official transcript to be sent to their school system in order to become reclassified in a new salary bracket. This salary reclassification will be finalized after the school receives official notification of the Class A certificate.
