AUTHORIZATION AND RELEASE

The University of Alabama at Birmingham ("UAB") School of Education ("SOE") educates undergraduate and graduate students to become teachers, instructional coaches, principals and other educational administrators. To accomplish this important goal, the SOE needs for its students to be able to photograph and record themselves in an educational setting. The SOE asks parents, guardians, and other authorized representatives to grant permission for the SOE to utilize the name, likeness, voice, and performance of the minor student whose name is set forth below ("Student"), whether by video/audio recording, photograph, quoted statements, or other like media.

The primary purpose of any media contemplated by this Authorization and Release is for instructional use. This Authorization and Release authorizes the SOE to capture classroom experiences for purposes consistent with instructional use by the teacher candidate or faculty at the SOE, including teacher candidate reflection and improvement. Materials may be used by faculty for instructional purposes beyond the immediate use of the candidate or teacher creating the resource.

In the interest of furthering the above purpose, the undersigned agrees as follows:

- A. To authorize UAB SOE to record the name, likeness, voice, and/or performance of the Student by any means of recording including without limitation, photograph, audio, or videotape for instructional use; and
- B. To not receive any form of consideration including without limitation, royalties or other payments from the SOE or related entities, for the media use contemplated by this Authorization and Release; and
- C. To release the SOE and UAB, and their agents, personnel, trustees, directors, officers, and employees from and against all claims for loss, damages, or injuries as a result of the Student's participation in the activities contemplated by this Authorization and Release, including without limitation, the publication and recording of the name, likeness, voice, or performance of the Student.

The undersigned has read and voluntarily signed this Authorization and Release of liability and agrees to be bound by the terms and conditions contained herein.

I give permission for the Student to be included in audio, video, photographs, quoted statements, and similar media for instructional use by the SOE.
